As of today June 23, 2016 at 3:30 p.m. I am sending this correspondence, as another attempt to get information, regarding a cost saving initiative for the Village of Sauk Village, IL. Please be informed I would like the information for receipts, and or money returned from Elected Officials or any employee or participant that received the stipend of \$300.00 to attend IML for the last 2 years. This would include years 2015 and 2016. I am requesting their name how much they received and if the receipts were turned in and the date they were turned in to Moah Roa the Finance Director. I asked 2 months ago in the Board meeting and I still have NOT received the information to date.

I will follow the next necessary steps to get the information if I have not heard from you in a timely manner.

Thank You,

Trustee Lynda Washington-House
