Subject: Housing FOIA

Pursuant to 5 ILCS 140 et seq please provide documents sufficient to show the addressess of the homes acquired or used by the Housing Commission assisted from 2013 to date and all documentation sufficient to show monies received/spent from IHDA Grant and all assistance from Cook County Land Bank, Habitat for Humanity, Lowes, Home Depot, Menards, Winpak and Ford Motors to rehab 7 homes and place 7 voucher families through homeowners training

Additionally please provide documentation to show a completed application for renewal for the so-called "Phase #2" of an IHDA grant and documentation from IHDA showing that the Village of Sauk Village was not approved for this Phase #2 of the IHDA \$75k grant and IHDA's response stating that their declination was partly Gary Holcomb's fault as he post the videos of the board meetings showing all of the infighting and name calling by the Mayor and Board.

Very truly yours
Joseph Wiszowaty

Response to this FOIA request may be submitted in portable document format (.pdf) via electronic mail.

Home > Buy A Home > Home Buyer Education

NHS Chicago

has created thousands of new homeowners through our Home Buyer Education classes and one-on-one consultations.

"The class was great. It focused on things you don't think about as a person new to the experience of buying a home."

-Jennifer

Step 1 Home Buyer Education

- Great information and resources no matter where you are in the buying process.
- Classroom and online options available in English and Spanish.
- Receive a certificate of completion, often required for Down Payment Assistance programs.
- NHS is a HUD-Approved housing counseling agency.

Step 2 One-on-one Consultations

- Review your credit report and develop a working budget.
- Obtain a mortgage readiness assessment to determine how much you can afford.
- Review down payment and closing cost options.

Step 3 Apply for a Mortgage Loan

- NHS homeownership consultants work with many lenders across the region to help you find the best loan products.

- Neighborhood Lending Services, Inc. (NLS) is an Illinois state-licensed, non-profit mortgage lender that may be able to help you with an affordable, fixed-rate mortgage product that fits your situation.

All loans are offered through Neighborhood Lending Services, Inc. (NLS), a nonprofit Illinois Residential Mortgage licensee (#1400661) and an Equal Opportunity Housing lender.

Habitat families

Who are the families who partner with Habitat for Humanity?

➤ > HABITAT FOR HUMANITY APPLICATION PROCESS

No matter who we are or where we come from, we all deserve to have a decent life. We deserve to feel strength and stability day after day. We deserve to know we have the power to take care of ourselves and build our own futures.

At Habitat for Humanity, we know that families in your community and around the world have the potential to stand on their own. All they sometimes really need is a helping hand, a way to help themselves so that they can build that better life.

There is no typical Habitat family. The families who partner with us to build and improve places to call home come from a variety of backgrounds and are selected at a local level. We partner with teachers, musicians, policemen, pastors, office workers and more. The basis for a family's selection is their level of need for better housing, their willingness to partner with us and work alongside volunteers, and their ability to pay an affordable mortgage.

Need

Every day, more and more families find themselves in a struggle to keep a decent roof over their heads. Unpredictable rent increases, overcrowded living conditions, damaged or dilapidated structures, unsafe neighborhoods, lack of access to land and affordable financing — these are just a few of the kinds of housing needs that families face. And those needs lead to instability, uncertainty, stress and fear.

Willingness to partner, ability to pay

Every parent, every person, should have the decent shelter they need to thrive. When families partner with Habitat, they start down a new path — one with far fewer barriers to a better, healthier, more financially stable life.

Habitat homeowners play a hands-on role in eliminating those barriers, beginning with the sweat equity hours they perform. With the help of volunteers, they build and renovate the places they will call home. They attend financial education and budget planning classes. Some help staff the local Habitat ReStore; others serve on committees or help out in the local Habitat office.

All of them are proactive, not passive. Investing, not receiving. They are seizing an opportunity, and — with a hand up — they are changing their own futures.

Habitat and the families who partner with us understand that a home is a far-reaching investment. A home is a strong foundation on which the families who partner with Habitat can grow and thrive.

COMMUNITY IMPACT GRANTS

The Home Depot Foundation offers grants, up to \$5,000, to IRS-registered 501c designated organizations and tax-exempt public service agencies in the U.S. that are using the power of volunteers to improve the physical health of their community. Grants are given in the form of The Home Depot gift cards for the purchase of tools, materials, or services.

Our primary goal is to provide grants and volunteer opportunities to support the renovation, refurbishment, retrofitting, accessibility modifications, and/or weatherization of existing homes, centers, schools and other similar facilities.

Grant Guidelines

- **Only IRS-registered 501c designated organizations and tax-exempt public service agencies (e.g. Police/Fire Departments) in the U.S. are eligible to apply.** (Proof of this status will be required on the application in the form of an IRS Determination Letter, Form 990, or W9.)
- Grants must support work completed by community volunteers in the U.S.
- Projects must be completed within six months following notification that the grant has been awarded.
- Grants are solely given in the form of The Home Depot gift cards for the purchase of tools, materials, or services up to \$5,000.
- Organizations who have received funding through The Home Depot Foundation's Community Impact Grant Program must wait 12 months after notification of award before applying for additional grants through this program.
- Organizations must be in existence for at least one year.
- Organizations should be willing to submit stories and pictures of the project upon completion.

Proposals for the following community improvement activities will be considered:

- Repairs, refurbishments, and modifications specific to ADA compliance or safety regulations to low-income and/or transitional housing, or community facilities (schools, community centers, senior centers, etc.)
- Weatherizing or increasing energy efficiency of low-income and/or transitional housing, or community facilities
- Engage community members as volunteers to help other veterans in their community through service projects focusing on the renovation, repair and improvement of homes and other properties:

The Home Depot Foundation's Community Impact Grant Program **DOES NOT** make grants to support the following:

- Nonprofit organizations that have been in existence for less than one year
- Churches and religious organizations whose improvement project primarily serves their congregation and not the overall community
- Scholarships or other direct support to individuals or families
- Fraternal, political, labor, athletic or social organizations, civic clubs, candidates or projects

- Fundraising sponsorship or prizes for events such as conferences, festivals, dinners, sports competitions, art exhibits, fundraisers (e.g. dinners, walks/runs/relays, golf tournaments and auctions)
- Requests for The Home Depot's Kids Workshop kits and/or aprons
- Capital campaigns, endowments or endowed chairs
- Film, music, television, video or media production projects or broadcast underwriting
- Goodwill advertising or marketing
- Any other support that does not meet the IRS's definition of a charitable purpose.

We are now accepting applications for the Community Impact Grants program.

This is a rolling application process. You will receive a decision on your application within six weeks of submission. The last day to submit applications in 2017 is December 31st.

PLEASE READ:

- *If your organization is a school, park, community center or any organization being funded by local government, please use the link for "Government Funded Organizations."*
- *If this is a Team Depot project, DO NOT use links below. Please refer to the Team Depot Project Funding Request Form for the appropriate application link.*

Re: Abandoned Residential Property Municipality Relief Program, Round 2

Dear Mr. Hanks:

This letter serves to notify you of the status of your application for funding under Round 2 of the Abandoned Property Program ("APP Round 2"), which was submitted to the Illinois Housing Development Authority ("the Authority") in October of 2016.

As administrators of the Abandoned Property Program, we are aware that the need to address blighted communities throughout Illinois remains high. However, as resources are scarce, the request for Program funding often exceeds the amount available for allocation.

After careful review and consideration, the Authority regrets to inform you that your application was not selected to be recommended to the Authority's Board for participation in APP Round 2.

We encourage you to apply for any future rounds of the Program. Information about such future rounds will be posted on the Authority's website (www.ihda.org) as funds are made available. We wish you the best of luck in your future endeavors. If you have any questions or concerns, please do not hesitate to contact us at APPinfo@ihda.org.

Sincerely,

Nicki Pecori Fioretti
Director, Community Affairs

Application Guide

Program Overview

The Abandoned Residential Property Municipality Relief Fund ("Abandoned Property Program," "APP," or the "Program") was created in 2010 with the passage of the Save Our Neighborhoods Act. Funding for the Program was expanded by subsequent legislation in 2013. Please review the Program Rules for a complete description of the program guidelines.

Purpose of Grant

The purpose of the Program is to use funding in the Abandoned Residential Property Municipality Relief Fund to make grants to municipalities and counties to assist with costs incurred by that municipality or county for the securing, maintenance, and demolition of abandoned residential property in the jurisdiction, as defined in Section 381.202 of the Program Rules.

Eligibility

Applicants must be a municipality or a county located in the State of Illinois. A county or municipality may join with other counties/municipalities and together submit a single application; however, each county/municipality may only apply once per funding round.

Eligible Grant Activities

Grant funds may be used for securing, maintaining, demolishing, or rehabilitating abandoned homes. The rehabilitation of an abandoned residential property is strictly limited in scope to address exterior building safety concerns such as repairing the roof, windows, doors, masonry, or walkways of an abandoned residential property. A list of specific activities allowed as part of securing, maintaining, and demolishing properties may be found at Abandoned Residential Property Municipality Relief Program Rules.

Eligible Properties

- 1-6 unit residential properties in the State of Illinois
- Properties that meet the definition of "abandoned" per Program Rules
- Manufactured home taxed as real property with a foundation and no hitch or wheels
- Properties may have garages, outbuilding, and/or sheds (demolition/removal of these buildings is an eligible cost if associated residential property meets the definition of "abandoned" per Program Rules)

Ineligible Properties

- Residential properties knowingly occupied by legal or non-legal residents
- Historically registered properties
- Commercial, industrial, or agricultural properties
- Mixed use properties with a residential unit component

It is acceptable to propose future expenses or to submit for reimbursement for previous eligible activities occurring after January 1, 2015, and never billed to a previous round of APP. All program requirements and regulatory compliance, including certifications, must be met to be reimbursed for previous eligible activities. Applicants awarded funds will be required to submit before and after photos.

Funding

Funding for the Program is derived solely from foreclosure filing fees paid by lending institutions and collected by the county clerk in which the foreclosure is filed. The collection of additional filing fees began in June of 2013. Of the total amount received each year:

~~30% will be granted in Cook County (or municipality within, other than the City of Chicago);~~

~~25% will be granted to the City of Chicago;~~

~~30% will be granted in the Collar Counties (DuPage, Kane, Lake, McHenry, and Will); and~~

~~15% will be granted in other areas of the State not previously defined.~~

These statutory apportionments are collectively referred to as "geographic set-asides."

There is expected to be one cycle per year with the option of a future cycle based on applications received and funds available. Based on the amount of funds currently available, IHDA has established a maximum grant amount of \$75,000 per municipality/county. There will be a minimum request requirement of \$20,000 per municipality/county. Awards will be determined based on the amount of funding available in the geographic set-aside, as well as the applicant's documented need for funding, the capacity of the applicant to undertake the planned activities, the amount of impact to be achieved, cost reasonableness, and readiness to proceed, and as further described in this Application. Applications will be scored and ranked according to the criteria set forth in this Application, and will be funded according to their rank in each geographic set-aside.

An applicant may request a waiver of the maximum grant amount by completing the requested information in this Application. An applicant must illustrate exemplary capacity, need, and impact in order to be considered for such a waiver. IHDA will consider waiver requests on a case-by-case basis, taking into account the amount of funding available in the geographic set-aside, along with the criteria set forth above, to determine whether to grant the waiver¹. In no case may any grant exceed \$250,000² to any grantee within a geographic area outside the City of Chicago³.

Scoring (100 points total)

Applications will be ranked against other applications in the geographic set-aside to determine points to be awarded. Answers should fit in the provided space within the application. If there is no answer for an area, please explain why; do not leave it blank.

1. Need – maximum 20 points

- a. Up to ten (10) points may be awarded for applications that provide data requested in this Application under this scoring category on foreclosure activity and abandoned properties.
- b. Up to twenty (20) points may be awarded for applications that provide the information in (a) above and additional detail on the effect abandoned properties have had on the jurisdiction, as further described under this scoring category in this Application. Maximum points will be given to applicants most affected, and that best document it by (1) including the amount of time and resources expended in the previous three fiscal years in maintaining and demolishing abandoned residential properties; (2) demonstrating the financial burden foreclosures and

¹ Nothing contained in this grant application shall prohibit IHDA from considering an application waiver above the \$75,000 limitation if IHDA, in its sole discretion, determines that such increase is necessary to meet the purposes of Section 7.31(a) of the Illinois Housing Development Act and the Program

² This is the maximum amount that can be awarded to an applicant receiving a waiver.

³ The City of Chicago, pursuant to 7.31 (b) of the Illinois Housing Development Act, may apply for 25% of the moneys in the Fund that have been appropriated, subject to the annual receipt of funds.

abandoned properties have placed on the jurisdiction; and (3) identifying specific areas within the jurisdiction most affected by foreclosures and abandoned properties.

2. Capacity – maximum 20 points

- a. Up to five (5) points may be awarded to applicants demonstrating previous experience managing grants.
- b. Up to ten (10) points may be awarded to applications that demonstrate successful management of a housing grant/program within the jurisdiction. Housing grants/programs will be interpreted to include any public or private program that improves the condition of housing or housing choice within the jurisdiction.
- c. Up to twenty (20) points may be awarded to applicants that clearly show previous experience managing housing grants/programs and document an active plan to mitigate abandoned properties within the jurisdiction (i.e. maintaining a vacant or abandoned property registry), including demolition of abandoned residential properties, and have a person designated to administer this grant with previous experience managing grants having similar requirements.

3. Impact – maximum 20 points

- a. Up to ten (10) points may be awarded to applications that provide a narrative detailing how the grant will be used for eligible uses that have (or has) positively impact(ed) the jurisdiction, along with evidence of other resources utilized for local revitalization to combat the ill effects of foreclosure on the jurisdiction, which may speak to a specific area of that jurisdiction.
- b. Up to twenty (20) points may be awarded to applications that currently have an active revitalization plan underway in the jurisdiction and clearly demonstrate how this grant will impact proposed activities to be carried out under that plan. Consideration will be given to communities that have identified troubled residential properties causing blight in the local community for which there is no cost effective solution other than demolition. Points will be given to applications that focus on specific geographic areas within the jurisdiction, submit current, relevant revitalization plans, and include documentation that such plan has had a demonstrably positive impact on the jurisdiction.

4. Budget and Cost Reasonableness – maximum 20 points

- a. Up to ten (10) points may be awarded to applications that include a complete and reasonable budget.
- b. Up to twenty (20) points may be awarded to applications that include a cost-effective, reasonable budget in the application, including a detailed explanation of the process for ensuring the reasonableness of all costs associated with the proposed or reimbursable activities, and documentation of the process used to procure all third-party vendors. Points will be given to applications that demonstrate a systematic, thorough, well-documented approach to ensuring reasonable costs.

5. Readiness to Proceed – maximum 20 points

- a. Up to ten (10) points may be awarded to applications that request reimbursement for documented, previously performed eligible activities or demonstrate a reasonable plan for the expeditious completion of proposed activities.

- b. Up to twenty (20) points may be awarded to applications that demonstrate a thorough, detailed, and reasonable plan for the expeditious completion of proposed and reimbursable activities. Maximum points will be given to applications that document implementation of revitalization plans that clearly complement this grant, and where specific properties have already been selected.

Application Fee

IHDA will not charge a fee for processing applications under this Program.

Application

A completed application must be received by October 21, 2016 at 3:00 p.m. CST. Please direct all questions to APPinfo@ihda.org. All copies must be digital; no hard copies will be accepted. All exhibits must be individual attachments. Email one copy of your application to APPinfo@ihda.org.

The Illinois Housing Development Authority will be hosting application/technical assistance seminars via webinar. Please visit _____ from APPinfo@ihda.org for future information regarding the time and dates of webinars.

Addendums

- [Program Rules](#)
- [Program FAQ](#)

GRANT APPLICATION

1. What is the population of your county/municipality (based on the 2010 U.S. Census)? 10,559

2. Approximately how many properties are abandoned (as defined by Program Rules) in your jurisdiction? 437

3. Please complete the chart below showing the number of homes you plan to address under each of the eligible program uses as shown in the Program Rules:

Eligible Uses	Will you perform an activity under this Eligible Use? (Y/N)	Number of Homes
Extermination of pests or prevention of the ingress of pests:	No	
Removal of garbage, debris, and graffiti:	No	
Cutting of neglected weeds or grass:	Yes	350
Trimming of trees or bushes and removal of nuisance bushes:	No	
Boarding up, closing off, or locking windows or entrances or otherwise making the interior of a building inaccessible to the general public:	Yes	30
Surrounding part or all a property with a fence or wall or otherwise making all/part of the property inaccessible to the general public:	No	
Demolition of abandoned residential property:	Yes	57
Rehabilitation (strictly limited to address exterior building safety):	No	
Total Number of Activities (sum from above):		437
Total Number of Individual Properties Addressed (removing duplicates):		

(application continued on the next page)

Scoring Category 1: Need (maximum 20 points)

4. Please prepare a narrative describing how foreclosures have affected your county/municipality. At a minimum, applicants must include documentation of the following information for the jurisdiction which they are applying:

- Relevant foreclosure activity in the jurisdiction (state time period covered and number of foreclosed properties. At minimum, discuss the previous two years. However, if relevant to this grant, the applicant may address a longer time period);
- The number of abandoned properties as of December 2015 (or period referenced above);
- The number of such abandoned properties owned by the jurisdiction or legal entity controlled by the jurisdiction; and
- The amount the jurisdiction has expended on maintaining and demolishing abandoned residential buildings for each of the last three fiscal years.

To better express need, applicants may also include the following information for the jurisdiction which they are applying:

- Increased crime and vandalism surrounding abandoned residential properties in the jurisdiction to be alleviated by this grant;
- Decrease/increase in home values (EAV) year over year;
- Declining property values resulting from proximity to abandoned residential properties;
- Specific areas in your jurisdiction affected most by foreclosures and abandoned properties
- Marked change in enrollment of children in the local public school district (either increased or decreased);
- The financial burden that foreclosures and abandoned properties have placed on the jurisdiction (including other activities defunded, staff layoffs, salary cuts, etc.); and
- Other documentation that illustrates the need for this grant.

For the past 4-5 years, Sauk Village has been experiencing a large number of foreclosures of residential properties. The economic downturn and its resulting plant closures brought about the natural job losses associated with such events. In the 2010 census the average household income loss was \$16,606 and the average age of our residents was 29.9. These figures were from 2010, and now there is even more job losses. Income in most cases have become stagnant or nonexistent. There has been an upward trend of residential property foreclosure. There are at a minimum, 437 properties in foreclosure. The Village of Sauk Village is a middle income bedroom community. There are not many commercial business. We have a significant number of senior citizens raising their grandchildren. With their incomes "fixed", they also find it difficult to keep up their aging properties.

The Village of Sauk Village has so far spent approximately \$30,000.00 in 2013 & 2014 and will continue to do so in the future. Unfortunately, property maintenance and the code enforcement costs will continue to riae.

Scoring Category 2: Capacity (maximum 20 points)

5. Please provide a copy of your most recent independent financial audit. If a Management Letter was issued, attach a copy of the Letter. NOTE: Management Response and/or Corrective Action Plan MUST be on Applicant's letterhead and be signed by the Chief Executive Officer, President, or Executive Director. IHDA reserves the right to use lack of corrective action or findings to determine funding. Please summarize all findings included in the audit and their respective solutions (list page numbers for reference):

Please see attached, page #2 and corrective action plan.

6. What department in the jurisdiction will administer this program?

Sauk Village Housing Commission

7. List the staff person(s) that will be responsible for the administration of this grant and detail their experience with similar grants:

Mr. Gary Holcomb, Chairperson, Sauk Village Housing Commission

8. Complete the chart below providing housing-related grants managed by the Applicant during 2014 and 2015:

Grant Name	Source	Amount	Grant Period	Activities Undertaken	Successfully Completed	Staff Responsible
APP Grant	IHDA	\$ 75,000.00	2014/2016	Maintenace, Se	Yes	Gary Holcomb

9. Of the grants listed above, please detail any previous compliance findings/concerns and their solutions:

We have been in compliance with all the grants, complied with Audit requirement as well as other reporting to various reporting agencies. We have all the back up of all payments made as well as grant receipt documentation in place in our Village Hall.

10. Explain your experience managing grants with required compliance with historical preservation, lead based paint laws, and prevailing wage:

We adhere to all the laws and preserve any and all historical information, we comply with lead based paint laws as well keep up with State of Illinois prevailing wage act.

11. Detail any/all housing programs that your jurisdiction has managed since 2014. Specifically reference any activities related to the maintenance or demolition of abandoned properties:

We have maintained and complied with all housing programs with specific activities.

Cutting weed and grass.

Demolition of about 14 residential properties.

We boarded up about 75 residential homes.

We removed about 3 trees right across the schools, which were dangerous near abandoned properties.

Scoring Category 3: Impact (maximum 20 points)

12. Does a revitalization plan currently exist? Detail any active revitalization plans in place to mitigate abandoned properties within your jurisdiction, including demolition of abandoned residential properties and how these funds will benefit that plan and how your plan complements this grant (attach the existing revitalization plan):

Our Housing Commission has a comprehensive and aggressive plan to reinvegorate as well as revitalize the local economy. The houses that are abandoned are required and kept up and resold to the prospective buyers in order to keep the blight out of our Village boundaries. They are added back to in to the property tax rolls bringing much needed tax revenues to our Village. This fund will possitively benefit our Housing Commission due to the fact that the Housing Commission no longer need to rely on the Sauk Village for funding.

13. What other resources will be/are being utilized for the revitalization plan and for what activities? (Consideration will be given to communities that have identified troubled residential properties causing blight in the local community for which there is no cost effective solution other than demolition)

We have no other resources available at this time and we have to find other ways in future.

14. Are current efforts producing any positive impact yet? How? If so, please provide quantifiable metrics demonstrating any positive impact:

Yes, our current efforts are producing impact in day to day activities in our Village. Blight is being reduced, about 61 properties are brought back in to our tax rolls. About 100 Houses are brought back in to code enforcement.

15. Are there specific neighborhoods you are addressing? Why?

Village of Sauk Village, especially the main population are of central part of Village, Deercreek, Brookwood, Lincoln Meadows, Peterson Avenue and Carol Avenue are the blighted.

16. Describe how this grant will be targeted to maximize the positive impact:

The residential abandoned properties will be kept and maintained. This Grant will not only allow upkeep of exterior grass and landscape but also interior cleanup. This will result in less blight and aid in attracting home buyers to Sauk Village. Whenever the housing stock and neighborhood are kept up, the positive atmosphere automatically attract home buyers.

Scoring Category 4: Budget and Cost Reasonableness (maximum 20 points)

17. Please give an estimated budget amount for each of the following eligible activities under this program (Section 381.203 of the Program Rules):

Extermination of pests or prevention of the ingress of pests	01/01/2017-12/31/2017	450	\$ 5,000.00
Removal of garbage, debris, and graffiti	01/01/2017-12/31/2017		\$ 14,000.00
Cutting of neglected weeds or grass	01/01/2017-12/31/2017		\$ 32,000.00
Trimming of trees or bushes and removal of nuisance bushes	01/01/2017-12/31/2017		\$ 5,800.00
Boarding up, closing off, or locking windows or entrances or otherwise making the interior of a building inaccessible to the general public	01/01/2017-12/31/2017		\$ 9,000.00
Surrounding part or all a property with a fence or wall or otherwise making all/part of the property inaccessible to the general public	01/01/2017-12/31/2017		\$ 600.00
Demolition of abandoned residential property	01/01/2017-12/31/2017		\$ 42,000.00
Rehabilitation (strictly limited to address exterior building safety)	01/01/2017-12/31/2017		\$ 0.00
TOTAL		450	\$ 108,400.00

18. Please describe the specific steps the applicant takes to ensure that costs are reasonable, including, at a minimum, the general process used to maintain cost reasonableness when handling similar projects and planned approach to ensure such reasonableness for this grant:

Based on the prio experience, we have projected for the period. However, the cost can be reallocated based on the actual number of houses that require variousvarious types of services. The costs that are budgeted are from prior period paid costs. Given the circumstances, cost that are budgeted will be compared and quotes and RFP's will be invited to get a favorable pricing.

19. What percentage of the grant does the applicant envision being undertaken by third-party vendors?

100

20. How will these vendors be procured? If your answer to question 19 was 0% please enter N/A.

Open Bids and RFP's invited. Based on the competitive bidding, the vendors are selected and offered contracts.

Scoring Category 5: Readiness to Proceed (maximum 20 points)

21. Provide a narrative detailing the activities to be undertaken with this grant, and a reasonable work plan and timelines of when they will be initiated and completed. Document previously performed eligible activities or demonstrate a reasonable plan or the expeditious completion of proposed activities. If possible, include the number of employees to be performing the work, the hours required for each activity, and any other quantitative measurements that illustrate that this grant will be expended in a timely manner, thereby maximizing the immediate impact.

Most of the properties that are abandoned list require many of the services that are on eligible activity list. We are planning to begin the work as of 01/01/2017 and try to complete by 12/31/2017. If time permits, these activities can be completed sooner.

There will be at a minimum of 2 volunteers, working 7.5 hours daily dedicated to managing the clean-up and maintenance activities. These volunteers will be directed by the Village of Sauk Village Housing Commission Chairperson. Their work will include basic maintenance of properties, indoor and out.

The Grant will be expended in a timely manner to ensure maximising the impact.

Sauk Village uses mostly volunteers hence no work schedules attached.

22. Describe how any previously discussed revitalization plan will contribute to the efficient, efficient use of these grant funds:

At this time, the Village of Sauk Village utilizes their public works department for mowing and exterior upkeep of abandoned properties. With such a large number of houses in foreclosure, it is virtually impossible to maintain everything within a reasonable calendar. The public works department cannot provide 2 people daily for these tasks. Our Code enforcement department is unable to work exclusively on the abandoned homes. This grant will provide for the Housing Commission to add staffing for the sole purpose of revitalizing properties.

Optional Request to Waive Maximum Grant Amount

Please detail why you are requesting a waiver of the maximum grant amount of \$75,000 (enter N/A if not requesting waiver):

N/A

Some questions to consider when determining whether to apply for a waiver may include, without limitation:

- (1) Whether the jurisdiction has exceptional need based on the number of abandoned properties within the jurisdiction or segment of the jurisdiction relative to total housing stock;
- (2) Whether the jurisdiction experienced a dramatically-increased financial burden as a result of the presence of abandoned residential properties within the jurisdiction or segment of the jurisdiction over and above prior years;
- (3) Whether the proposed activities are undertaken in conjunction with a concerted revitalization plan; and
- (4) Whether this grant will provide at least a 1:1 funding leverage evidenced by a commitment letter or other documentation confirming commitment of match funds.

Applicants are expected to provide appropriate supporting documentation in support of the waiver request. IHDA may request additional information of any applicant in reviewing a waiver request. Applications for reimbursement of previously undertaken activities will not be considered for a waiver of the maximum \$75,000 grant amount. In no case may any grant exceed \$250,000⁴ to any grantee within a geographic area outside the City of Chicago⁵.

⁴This is the maximum amount that can be awarded to an applicant receiving a waiver.

⁵ The City of Chicago, pursuant to Section 7.31 (b) of the Illinois Housing Development Act, may apply for 25% of the moneys in the Fund that have been appropriated, subject to the annual receipt of funds.

Exhibit Checklist

Applications are submitted electronically as PDF files, no hard copies. Please follow the labeling instructions as instructed below:

- Application
(Label: Application for <insert community name>)

- Include a copy of your most recent independent financial audit. If a Management Letter was issued, attach a copy of the Letter. NOTE: Management Response and/or Corrective Action Plan MUST be on Applicant's letterhead and be signed by its Chief Executive Officer, President, or Executive Director.
(Label: Financial Audit for <insert community name>)

- Include certification of municipality/county status
(Label: Entity Certification for <insert community name>)

- Include any existing revitalization plans
(Label: Revitalization Plans for <insert community name>)

- Match commitment letter, if requesting a waiver
(Label: Match for <insert community name>)

- Include any other appropriate documents to support your proposal
(Label: Other for <insert community name>)

Standard Requirements and Certifications

Every grantee under the program will be required to comply with these certifications and requirements:

1. Applicant certifies that all statements herein are true, accurate, and complete;
2. Applicant is an eligible recipient of grant funds based on Section 381.201 of the Program Rules;
3. Applicant will not permit any discrimination on the basis of gender, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, or physical, mental, emotional or learning disability in connection with its participation in the Program;
4. Applicant will ensure expenditures of grant funds are for eligible uses under the Program;
5. Applicant will maintain records in connection with administration of the Program for five years after the date of termination of the Commitment;
6. Applicant will comply with the terms and conditions of the Program;
7. Applicant will comply with monitoring and evaluation of the Program through the full Commitment period;
8. Applicant will comply with all prevailing wage requirements;
9. Applicant will comply with all federal/state/local laws and regulations, including, but not limited to historical preservation, environmental, demolition, and lead based paint laws; Applicant agrees and acknowledges that it is its responsibility to determine which laws and regulations apply;
10. Applicant certifies that all procurements/vendor contracts comply and will continue to comply with all applicable laws and regulations, including applicable municipal procurement policies and procedures;
11. Applicant certifies all properties assisted with this grant are Abandoned as defined by to Section 381.202 of the Abandoned Residential Property Municipality Relief Fund Program Rules; and
12. Applicant certifies that they have legal authority and rights to complete the demolition for all properties proposed.

On behalf of Village of Sank Village, I certify that the information contained herein accurately reflects my jurisdiction's commitment and ability to participate fully in the Abandoned Property Program.

MILLER COOPER & Co., Ltd

ACCOUNTANTS AND CONSULTANTS

To the Mayor and Board of Trustees
Village of Sauk Village
Sauk Village, Illinois

In planning and performing our audit of the financial statements of the Village of Sauk Village, Illinois (the "Village"), as of and for the year ended April 30, 2015, in accordance with auditing standards generally accepted in the United States of America, we considered the Village's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Village's internal control. Accordingly, we do not express an opinion on the effectiveness of the Village's internal control.

Our consideration of internal control was for the limited purpose described in the preceding paragraph and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies and therefore, there can be no assurance that all deficiencies, material weaknesses or significant deficiencies have been identified. However, as discussed below, we identified certain deficiencies in internal control that we consider to be material weaknesses and other deficiencies that we consider to be significant deficiencies.

A control deficiency exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A deficiency in design exists when a control necessary to meet the control objective is missing, or when an existing control is not properly designed so that even if the control operates as designed, the control objective would not be met. A deficiency in operation exists when a properly designed control does not operate as designed or when the person performing the control does not possess the necessary authority or qualifications to perform the control effectively.

A material weakness is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the Village's financial statements will not be prevented, or detected and corrected, on a timely basis. We consider the following deficiencies in the Village's internal control to be material weaknesses:

Material Weaknesses

1. Audit Adjustments (Repeated from Prior Year)

Numerous adjusting entries were identified, proposed to, and accepted by management, and recorded in the Village's financial statements, as of and for the year ended April 30, 2015. Several of the adjustments were material to the financial statements, individually and in the aggregate. The adjustments affected various asset, liability, deferred inflow, net position/fund balance, revenue, expense/expenditure, and other financing sources and uses accounts. We recommend that the finance department reconcile all account balances to supporting schedules, documents and other sources of information in a timely manner, in order to ensure that accurate financial reporting, during the year and at year end, is achieved. Those procedures should include, but not be limited to, the following:

Material Weaknesses (Continued)

1. Audit Adjustments (Repeated from Prior Year) (Continued)

- Review of accounts receivable detail ledgers to determine the adequacy of the allowances for doubtful accounts.
- Reconciliation of prepaid items to supporting details.
- Allocation of property tax receipts to individual funds based on the appropriate tax levy extension for each distribution.
- Reconciliation of unbilled utility revenue balances to detail ledgers.
- Grants recorded in an appropriate manner based on the terms of the grant agreement.
- Reconciliation of other tax receipts to state and other taxing authority reports.
- Review of construction, equipment, and other invoices to determine propriety of capitalization, depreciation, and accrual of retainage as a liability.
- Reclassification of held checks as a current liability.
- Reconciliation of accounts payable and other liability balances to detail ledgers, and review of subsequent disbursements and open invoices to identify invoices to be accrued manually at period end.
- Reconciliation of accrued payroll and accrued compensated absences balances to supporting details.
- Reconciliation of recorded debt principal and interest payments to maturity schedules.
- Proper recording of debt issuances.
- Reconciliation of interfund transfers in and transfers out, to ensure that all interfund transfers are properly recorded in the transfers accounts in the general ledger.

2. Lack of Segregation of Duties (Repeated from Prior Year)

Similar to many other organizations of the Village's size, substantially all accounting functions of the Village are performed by a single individual. As a result, some of the aspects of internal accounting control which rely upon adequate segregation of duties are missing in the Village and a general lack of internal controls exists, increasing the risk that fraud or errors may occur and remain undetected.

The following suggestions are procedures which should be performed by personnel not involved in the accounting functions to further compensate for known weaknesses attributable to an inadequate segregation of duties:

- Receive all bank statements unopened and review their contents.
- Review bank reconciliations carefully.
- Review monthly aging of accounts receivable and accounts payable.
- Sign all checks – the Finance Director is an authorized signor on numerous accounts and has access to make changes to the general ledger; however the Village does require dual signatures on checks.
- Review payroll registers, checks, and other reports.
- Approve and monitor changes to payroll.
- Review monthly financial statements and question variances.
- Perform all of the above on a timely basis.

Material Weaknesses (Continued)

3. Journal Entries (Repeated from Prior Year)

The Finance Director initiates and records substantially all manual journal entries, without formal independent review. This lack of review increases the risk that fraudulent financial reporting, or a misappropriation, could occur and remain undetected. Although the Board of Trustees reviews the monthly financial data, we recommend that another individual with financial expertise and knowledge of the Village's chart of accounts review and initial each manual adjustment that is identified and posted by the Finance Director.

4. Wire Transfers (Repeated from Prior Year)

The Finance Director initiates and records substantially all wire transfers, without formal independent review. This lack of review increases the risk that a misappropriation of Village funds could occur and remain undetected. We recommend that another individual with financial expertise review and initial each wire transfer advice. Additionally, automatic notification should be sent by the bank to a responsible individual other than the Finance Director.

5. Working Cash Fund (Repeated from Prior Year)

The Working Cash Fund has made interfund loans to the General Fund, and those loans have not been repaid in accordance with state statutes. Under 65 ILCS 5/8-7, the Village is permitted to transfer all or part of the Working Cash Fund to the General Fund in anticipation of the collection of taxes levied for general or special corporate purposes; however, the Working Cash Fund is to be reimbursed within a certain period of time as specified in the statutes. The statutes further provide for the abolishment of the Working Cash Fund by resolution of the Village Board, whereupon the Fund may be transferred to the General Fund, at the end of the fiscal year; however, a municipality that has abolished its working cash fund may not establish another working cash fund for four years, after the date the fund was abolished. Additionally, any general obligation bonds that were previously issued for working cash purposes must be retired before a municipality may establish a new working cash fund.

65 ILCS 5/8-7 also permits the transfer of interest earned on investments from the Working Cash Fund; however the statutes do not expressly provide for the transfer of principal, unless the Working Cash Fund is abolished. Presently, the Village is recording property taxes, levied for purposes of the payment of principal and interest on the working cash bonds, to the Working Cash Fund, and in turn making a transfer to the Debt Service Fund. We recommend that the Village set up transactions to be recorded in the proper funds.

6. Tax Incremental Financing Funds (Repeated from Prior Year)

The Village presents certain deposits, held with the trustee/paying agent for the payment of principal and interest maturities on the Village's tax incremental financing (TIF) and other general obligation bonds, and transactions associated with those accounts, within the Debt Service Fund. As a result, it is unclear to the users of the Village's financial statements the extent of the balances and transactions associated with each of the Village's TIF districts. We recommend that the Village consider recording all such activity in funds that are specific to each TIF district.

Material Weaknesses (Continued)

7. Accounts Payable Detail

The Village lacks an adequate detail of accounts payable that reconciles to the general ledger balances by fund. Various non-audit services were required to assist the Village in preparing a detail that reconciled to the general ledger. We recommend that the Village consult with its accounting software support firm to ensure that a detailed accounts payable report, by invoice, is available. We also recommend that the Village reconcile the accounts payable detail to the general ledger on a monthly basis. We further recommend that the Finance Director review invoice posting dates to ensure that invoices are posted to the correct accounting period.

A significant deficiency is a deficiency, or combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance. We consider the following deficiency in the Village's internal control to be a significant deficiency:

Significant Deficiencies

8. Interfund Advances and Transfers (Repeated from Prior Year)

Various interfund advances and transfers have been made, either without the formal authorization of the Board of Trustees, or in excess of Board-approved budgeted amounts. We recommend that all interfund advances and transfers be brought to the Board of Trustees for formal approval, especially in situations where actual amounts exceed budget.

Following are descriptions of other identified control deficiencies that we determined did not constitute significant deficiencies or material weaknesses:

Control Deficiencies

9. Expense Reimbursements (Repeated from Prior Year)

We noted that not all expense reimbursement requests include evidence of approval prior to reimbursement. We recommend that all expense reimbursement requests be reviewed and approved by an individual in a supervisory capacity, prior to reimbursement.

Additionally, the Village's per-diem expense allowance policy does not require the submission of receipts to substantiate the amount paid to the individual. Per-diem allowances that lack receipts as evidence of the business nature of the expense, and which are in excess of IRS-prescribed amounts, are required to be reported as income to the individual on Form W-2 or 1099, as appropriate. Consideration should be given to reevaluating the Village's expense reimbursement policy in light of its current practice and IRS reporting requirements.

Control Deficiencies (Continued)

10. Purchase Orders (Repeated from Prior Year)

We noted that the Village lacks a formal purchasing policy, and that purchase orders are not used for most purchases. We recommend that the Village develop and adhere to a formal purchasing policy. Purchases that require a purchase order should be formally approved by an individual other than the employee initiating the purchase order.

11. Documentation of Employee Salaries/Hourly Rates (Repeated from Prior Year)

We noted certain instances where employees' personnel files did not contain formal documentation of their current rate of pay. We recommend that formal documentation of all such changes be included in the personnel file, and authorized by the departmental supervisor or another appropriate individual.

12. Controls over Cash Receipts (Repeated from Prior Year)

The Finance Director often records large cash receipts via a manual journal entry, and deposits the receipt to the bank, in order to ensure that the receipt is deposited as expeditiously as possible. However, this results in a deviation from standard Village procedures. We recommend that all cash receipts, and other transactions, be processed under the Village's existing internal controls and on a timely basis.

13. Capital Asset Disposals (Repeated from Prior Year)

The Village recorded significant capital asset additions in the current year, but did not record any disposals in either the current year or the preceding fiscal period. The Village should consider whether, based on the nature of additions, disposals are occurring and not being recorded. Additionally, the Village should carefully review its capital asset details to identify potential items that are no longer owned, and/or no longer in use.

14. Grant Tracking (Repeated from Prior Year)

The Village lacks an adequate system to track grant revenues and related expenditures. We recommend that the Village create a system to track grant receipts and related expenditures, to ensure that both revenues and expenditures are properly recorded in the correct period.

15. Sauk Village Housing Commission

The Village did not properly establish the Sauk Village Housing Commission (the Commission) as an agency fund of the Village. The Commission was established during fiscal year 2015, and meets the criteria for recognition as an agency fund of the Village due to the nature of the relationship between the Village and Commission. We recommend that the Village give appropriate consideration to the nature of potential agency and other fiduciary relationships that may occur in the future, to ensure their proper recording in the Village's financial statements.

This letter also includes comments and suggestions with respect to matters that came to our attention in connection with our audit of the financial statements. These items are offered as constructive suggestions to be considered part of the ongoing process of modifying and improving the Village's practices and procedures.

Comments and Suggestions

16. Capital Asset Capitalization Policy (Repeated from Prior Year)

The Village does not have a formal written capitalization policy. We suggest that the Village develop, and that the Board approve a formal written capitalization policy.

17. Outstanding Utility Bills (Repeated from Prior Year)

We noted that various residents have long-outstanding unpaid utility bills, and that receivable balances are escalating. We recommend that the Village review its policies and procedures with regard to the collection of utility receivables. Implementing these policies and procedures on a timely basis could improve cash flow.

18. Investment Policy

The Village's investment policy does not address interest rate risk, credit risk, concentration of credit risk, and custodial credit risk. We recommend that the Village update its investment policy to include, at a minimum, the forgoing risk considerations.

19. Sauk Village Housing Commission – Cash Handling

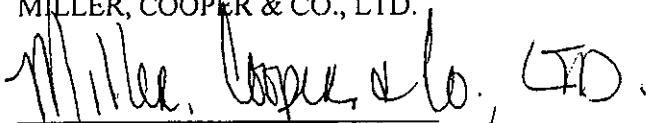

During fiscal year 2015, a cash withdrawal was made via an automatic teller machine (ATM), from the Sauk Village Housing Commission bank account. The Sauk Village Housing Commission is an agency fund of the Village. Per management, the withdrawal was made by a commissioner of the Sauk Village Housing Commission. We recommend that the Village discourage the use of ATM transactions, and instead reinforce the need to process all transactions through the internal controls of the Village.

The following prior year deficiencies were not repeated:

- Police Pension Actuarial Valuation (Material Weakness)
- Prior Period Adjustment – Construction in Progress (Material Weakness)
- Bank Reconciliations (Significant Deficiency)
- Bond Ordinance Compliance (Control Deficiency)
- Deposits with Paying Agent (Control Deficiency)
- Compensated Absences (Suggestion)

This communication is intended solely for the information and use of the Mayor and Board of Trustees and management of the Village and is not intended to be, and should not be, used by anyone other than these specified parties.

MILLER COOPER & Co., Ltd

ACCOUNTANTS AND CONSULTANTS

INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and
Members of the Board of Trustees
Village of Sauk Village, Illinois

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Sauk Village, Illinois (the Village), as of and for the year ended April 30, 2015, and the related notes to the financial statements, which collectively comprise the Village's basic financial statements, as listed in the table of contents.

Management's Responsibility for the Financial Statements

The Village's management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this also includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We did not audit the financial statements of the Police Pension Fund and the Firefighters' Pension Fund, which are pension trust funds, included as fiduciary funds in the aggregate remaining fund information, whose accounts are included in the basic financial statements. Total assets, net position, and additions of the Police Pension Fund and the Firefighters' Pension Fund constitute all of the assets, net position, and additions of the fiduciary fund types reported herein, as of and for the year ended April 30, 2015, on pages 16 and 17. Those statements were audited by other auditors, whose reports have been furnished to us, and our opinion, insofar as it relates to the amounts included for the fiduciary fund types in the Village's basic financial statements, is based solely on the reports of the other auditors. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The financial statements of the Police Pension Fund and the Firefighters' Pension Fund were not audited in accordance with *Government Auditing Standards*.

To the Honorable Mayor and
Members of the Board of Trustees
Village of Sauk Village, Illinois

Auditors' Responsibility (Continued)

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, based on our audit and the reports of the other auditors, the financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of the Village of Sauk Village, Illinois, as of April 30, 2015, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended, in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the Illinois Municipal Retirement Fund, Firefighters' Pension Fund, and Police Pension Fund data on pages 81 through 89, the other postemployment benefits data on page 90, and the budgetary comparison schedules and notes to the required supplementary information on pages 91 through 92, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We and the other auditors have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

(Continued)

To the Honorable Mayor and
Members of the Board of Trustees
Village of Sauk Village, Illinois

Other Matters (Continued)

Required Supplementary Information (Continued)

Management has omitted the management's discussion and analysis that the Governmental Accounting Standards Board requires to be presented to supplement the basic financial statements. Such missing information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. Our opinions on the basic financial statements are not affected by this missing information.

Other Information

Our audit for the year ended April 30, 2015 was conducted for the purpose of forming opinions on the financial statements that collectively comprise the Village's basic financial statements. The other schedules, listed in the table of contents as other supplementary information, are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The other supplementary information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information for the year ended April 30, 2015 has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplementary information is fairly stated, in all material respects, in relation to the basic financial statements as a whole for the year ended April 30, 2015.

(Continued)

To the Honorable Mayor and
Members of the Board of Trustees
Village of Sauk Village, Illinois

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated February 2, 2016 on our consideration of the Village of Sauk Village's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Village of Sauk Village's internal control over financial reporting and compliance.

Village of Sauk Village, Illinois
Governmental Funds
RECONCILIATION OF THE BALANCE SHEET
OF GOVERNMENTAL FUNDS TO THE STATEMENT OF NET POSITION (DEFICIT)
April 30, 2015

Total fund balance - governmental funds \$ 10,957,793

Amounts reported for governmental activities in the statement of net position (deficit) differ from the governmental funds balance sheet because:

Certain revenues that are unearned in the fund financial statements because they are not considered available are recognized as revenue in the government-wide financial statements. 1,847,363

Capital assets used in governmental activities are not current financial resources and, therefore, are not reported in the governmental funds. 11,781,570

Accrued interest reported in the statement of activities does not require the use of current financial resources and, therefore, is not reported as expenditures in the governmental funds. (574,929)

Certain liabilities, including bonds payable, streetlight loan, capital leases, premiums on bonds sold, compensated absences, net pension obligations, net other postemployment benefit obligations, and judgment liability, do not require the use of current financial resources and, therefore, are not reported as liabilities in the governmental funds. (39,920,700)

Net position (deficit) - governmental activities \$ (15,908,903)

RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND
CHANGES IN FUND BALANCES (DEFICITS) OF GOVERNMENTAL FUNDS TO
THE STATEMENT OF ACTIVITIES
For the Year Ended April 30, 2015

Net change in fund balances - total governmental funds	\$	274,499
Amounts reported for governmental activities in the statement of activities are different because:		
Certain revenues that are unearned in the fund financial statements because they are not considered available are recognized as revenue in the government-wide financial statements.		68,196
Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which depreciation expense exceeded capital asset additions.		(113,615)
Accrued interest reported in the statement of activities does not require the use of current financial resources and, therefore, is not reported as expenditures in the governmental funds.		29,026
Premiums on bonds are recorded as other financing sources in the fund financial statements, but the premium is recorded as a liability in the statement of net position that is amortized over the life of the related bonds.		26,208
The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of long-term debt consumes the current financial resources of governmental funds.		<u>1,622,158</u>
Change in net position - governmental activities	\$	<u><u>1,906,472</u></u>

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The Village of Sauk Village (the "Village") was incorporated in 1957. The Village is located in Cook County, Illinois, with a small portion located in Will County, Illinois. The Village operates under the mayor-trustee form of government. The Village Board consists of a mayor and six elected members that exercise all powers of the Village but are accountable to their constituents for their actions. The Village provides the following services as authorized by its charter: public safety (police, fire, civil defense and emergency), highways and streets, parks and playgrounds, sanitation, water and sewer, public improvements, planning and zoning, and general administrative services.

The financial statements of the Village have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP), as applied to government units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles.

The following is a summary of the Village's significant accounting policies:

1. Reporting Entity

As defined by GAAP, the financial reporting entity consists of the primary government, as well as its component units, which are legally separate organizations for which the elected officials, of the primary government, are financially accountable. Financial accountability is defined as:

- a. Appointment of a voting majority of the component unit's board, and either (a) the ability to impose will by the primary government or (b) the possibility that the component unit will provide a financial benefit to or impose a financial burden on the primary government; or
- b. Fiscal dependency on the primary government.

Based on the above criteria, the Village does not have any component units. Additionally, the Village is not included as a component unit in any other governmental reporting entity, as defined by GASB pronouncements.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

2. New Accounting Pronouncement

During the year ended April 30, 2015, the Sauk Village Police Pension Fund, Illinois and the Village of Sauk Village, Illinois Firefighters' Pension Fund, which are reported as pension trust (fiduciary) funds of the Village, adopted the provisions of GASB Statement No. 67, *Financial Reporting for Pension Plans - an amendment of GASB Statement No. 25*, which has as its objective improving the usefulness of pension information included in the general purpose external financial reports of state and local governmental pension plans for making decisions and assessing accountability. Adoption of GASB No. 67 had no effect on the Village's net position as of April 30, 2015, or on its changes in net position for the year then ended. It did, however, change the requirements for information disclosed in the notes to the financial statements and information presented as required supplementary information.

3. Future Accounting Pronouncements

The Governmental Accounting Standards Board (GASB) has issued the following pronouncements, which are expected to have a material impact on the Village's financial statements in future periods:

GASB has issued Statement No. 68, *Accounting and Financial Reporting for Pensions*, which will be implemented by the District during the fiscal year ended April 30, 2016. This Statement established standards for measuring and recognizing liabilities, deferred outflows of resources, and deferred inflows of resources, and expense/expenditures on the government wide financial statements. For defined benefit pensions, this Statement identifies the methods and assumptions that should be used to project benefit payments, discount projected benefit payments to their actuarial present value, and attribute the present value to periods of employee service.

GASB has issued Statement No. 71, *Pension Transition For Contributions Made Subsequent to the Measurement Date - an Amendment of GASB Statement No. 68*, and will also be implemented by the District during the fiscal year ended April 30, 2016. This Statement established standards for measuring amounts associated with contributions, if any, made by a state or local government employer or nonemployer contributing entity to a defined benefit pension plan after the measurement date of the government's beginning net pension liability.

Specific changes to the Village's financial statements will relate to the recognition of net pension liability, deferred outflows of resources, deferred inflows of resources, and pension expense. The most significant effect of these statements will be the requirement that the Village record the net pension liability related to the Illinois Municipal Retirement Fund, the Police Pension Fund, and the Firefighters' Pension Fund as part of long-term liabilities in the statement of net position (see note J). The Village anticipates that the adoption of these statements will have a significant negative impact on the government-wide financial statements as of and for the year ending April 30, 2016.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

4. Government-wide and Fund Financial Statements

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the nonfiduciary activities of the Village. The effect of interfund activity has been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for services.

The statement of net position presents the Village's non-fiduciary assets and liabilities with the difference reported as net position in three categories:

Net investment in capital assets consists of capital assets, net of accumulated depreciation and reduced by outstanding balances for bonds and other debt that are attributable to the acquisition, construction, or improvement of those assets.

Restricted net positions arise when constraints placed on the use of net position are either externally imposed by creditors, grantors, contributors and the like, or imposed by law through constitutional provisions or enabling legislation.

Unrestricted net position consist of net positions that do not meet the criteria of the two preceding categories.

When both restricted and unrestricted resources are available for use, it is the Village's policy to use restricted resources first to finance qualifying activities, then unrestricted resources as they are needed.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment are offset by program revenues. Direct expenses are those that are clearly identifiable with a specific function or segment. Program revenues include 1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported as general revenues.

Separate financial statements are provided for governmental, proprietary, and fiduciary funds, even though the latter are excluded from the government-wide financial statements. Major individual governmental funds are reported as separate columns in the fund financial statements. Nonmajor funds, that are aggregated in the fund financial statements, are reported separately in the other supplementary information.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Basis of Presentation - Fund Accounting

The accounts of the Village are organized on the basis of funds, which are considered as separate accounting entities. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund balance/net position, revenues, and expenditures/expenses. The Village's resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled. The various funds are grouped in the financial statements in this report into generic fund types and broad fund categories as follows:

a. Governmental Fund Types

Governmental funds are those through which governmental functions of the Village are financed. The Village's expendable financial resources (except those accounted for in proprietary funds) are accounted for through governmental funds. The measurement focus is based upon the determination of changes in financial position, rather than upon net income determination. The following are the Village's governmental fund types:

- i. The *General Fund* is the general operating fund of the Village. It is used to account for all financial resources except those required to be accounted for in another fund. Its primary revenue sources include property taxes and intergovernmental revenues.
- ii. *Special revenue funds* are used to account for the proceeds of specific revenue sources (other than debt service or capital projects) that are legally restricted to expenditures for specified purposes. The Village's special revenue funds are the Fire Protection, Motor Fuel Tax, Emergency Telephone System, Police Seizure, Working Cash, and Railroad Noise Mitigation Funds. The primary revenue sources include property taxes and intergovernmental revenues.
- iii. *Debt service funds* are used to account for the accumulation of resources for debt service payments. The Village's debt service funds are the Debt Service, Sauk Pointe Industrial Park, and LogistiCenter at Sauk Village Funds. The primary revenue and other financing sources include property taxes and transfers from other funds.
- iv. *Capital projects funds* are used to account for the use of resources for capital improvements. The Village's capital projects funds are the Utility Tax, Community Development Block Grant, Sauk Plaza Redevelopment Plan, SurreyBrook Plaza, and Municipal Building Funds. The primary revenue and financing sources include property taxes, utility taxes, intergovernmental revenues, bond proceeds, and transfers from other funds.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

5. Basis of Presentation - Fund Accounting (Continued)

b. Proprietary Fund Types

Proprietary funds are used to account for the Village's ongoing organizations and activities which are similar to those often found in the private sector. The measurement focus is upon determination of net income.

i. *Enterprise funds* are used to account for operations (a) that are financed and operated in a manner similar to private business enterprises, where the intent of the governing body is that the costs (expenses, including depreciation) of providing goods or services to the general public on a continuing basis be financed or recovered primarily through user charges or (b) where the governing body has decided that periodic determination of revenues earned, expenses incurred, and/or net income is appropriate for capital maintenance, public policy, management control, accountability, or other purposes. The Village's enterprise funds are the Waterworks and Sewerage Funds.

c. Fiduciary Fund Types

Fiduciary funds are used to account for assets held by the Village in a trustee capacity or as an agent for individuals, private organizations, other governmental units, and/or other funds.

i. *Pension trust funds* are used to account for the Village's public safety employee pension funds. The Police Pension Fund and the Firefighters' Pension Fund are the Village's pension trust funds.

ii. *Agency funds* are custodial in nature and do not involve the measurement of results of operations. Agency funds account for assets held by the Village which are owned, operated, and managed separately from the governance of the Village. The Sauk Village Housing Commission Fund is the Village's sole agency fund.

6. Fund Balance

The governmental funds report five components of fund balance: nonspendable, restricted, committed, assigned, and unassigned.

a. *Nonspendable* - includes amounts that cannot be spent because they are either not in spendable form or legally or contractually required to be maintained intact. The nonspendable in form criteria includes items that are not expected to be converted to cash such as deposits with paying agent, prepaid expenditures, advances to other funds, or land held for resale.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

6. Fund Balance (Continued)

- b. *Restricted* - refers to amounts that are subject to outside restrictions such as creditors, grantors, contributors, laws and regulations of other governments, or imposed by law through enabling legislation. Special revenue funds are by definition restricted for those specified purposes.
- c. *Committed* - refers to amounts that can only be used for specific purposes pursuant to constraints imposed by formal action of the Village's highest level of decision making authority (the Village Board). The Village Board commits fund balances by passing a resolution. Amounts committed cannot be used for any purpose unless the Village removes or changes the specific use by taking the same type of formal action it employed to previously commit those funds. At April 30, 2015, the Village had no committed fund balances.
- d. *Assigned* - refers to amounts that are constrained by the Village's intent to be used for a specific purpose, but are neither restricted or committed. Intent may be expressed by the Board of Trustees or the individual the Village Board delegates the authority to assign amounts to be used for specific purposes. The Village Board has not delegated this authority as of April 30, 2015. At April 30, 2015, the Village had no assigned fund balances.
- e. *Unassigned* - refers to all spendable amounts not contained in the other four classifications described above. In funds other than the general fund, the unassigned classification is used only to report a deficit balance resulting from overspending for specific purposes for which amounts had been restricted, committed, or assigned.

Unless specifically identified, expenditures act to reduce restricted balances first, then committed balances, next assigned balances, and finally they act to reduce unassigned balances. Expenditures for a specifically identified purpose will act to reduce the specific classification of fund balance that is identified.

7. Measurement Focus, Basis of Accounting, and Financial Statement Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting, as are the proprietary fund statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Property taxes are recognized as revenues in the fiscal period for which they are intended to finance. Grants and similar items are recognized as revenue as soon as all eligibility requirements, imposed by the provider, have been met.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

7. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the Village considers all governmental fund revenues as available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded when payment is due.

Amounts reported as program revenues include 1) charges to customers or applicants for goods, services, or privileges provided, 2) operating grants and contributions, and 3) capital grants and contributions. All taxes are reported as general revenues.

Property taxes, interest revenue, and charges for services revenues associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the Village.

The Village reports unearned/unavailable revenue on its financial statements. Unearned/unavailable revenue arises when a potential revenue does not meet both the "measurable" and "available" criteria for recognition in the current period. In subsequent periods, when both revenue recognition criteria are met, or when the Village has a legal claim to the resources, the unearned/unavailable revenue is removed from the balance sheet and revenue is recognized.

The fiduciary fund statements are reported using the accrual basis of accounting.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

7. Measurement Focus, Basis of Accounting, and Financial Statement Presentation (Continued)

The Village reports the following major governmental funds:

The *General Fund* is the Village's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund.

The *Debt Service Fund* is used to account for the accumulation of resources for, and the payment of, general long-term debt principal, interest, and related costs.

The *Sauk Pointe Industrial Park Fund* is a debt service fund which accounts for the revenue generated from the tax incremental finance (TIF) district for office and light manufacturing development.

The *Logisticenter at Sauk Village Fund* is a debt service fund which accounts for the revenue generated from the TIF district to finance the first phase development and construction of a one hundred and fifty-acre intermodal transportation facility.

The Village reports the following major proprietary funds:

The *Waterworks Fund* accounts for the provision of potable water services to the residents of the Village. All activities necessary to provide such services are accounted for in this Fund including, but not limited to, administration, operations, maintenance, financing and related debt service, and billing and collection.

The *Sewerage Fund* accounts for the provision of sewerage services to the residents of the Village. All activities necessary to provide such services are accounted for in this Fund including, but not limited to, administration, operations, maintenance, financing and related debt service, and billing and collection.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with a proprietary fund's principal ongoing operations. The principal operating revenues of the enterprise funds are charges to customers for sales and services. Operating expenses for enterprise funds include the cost of sales and services, administrative expenses, and depreciation on capital assets. All revenues and expenses not meeting this definition are reported as nonoperating revenues and expenses.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

8. Deferred Outflows / Deferred Inflows

In addition to assets, the statement of net position and the governmental funds balance sheet may report deferred outflows of resources. Deferred outflows of resources represent a consumption of net position / fund balance that applies to future periods. At April 30, 2015, the Village has no deferred outflows of resources. In addition to liabilities, the Village may report deferred inflows of resources. Deferred inflows of resources represent the acquisition of resources that is applicable to a future reporting period. At April 30, 2015, the Village's property taxes levied for a future period and income taxes are reported as deferred inflows of resources.

9. Cash Equivalents

The Village considers all highly liquid investments with a maturity of three months or less, when purchased, to be cash equivalents.

10. Receivables

The recognition of receivables associated with nonexchange transactions is as follows:

- Derived tax receivables (such as sales, income, and motor fuel taxes) are recognized when the underlying exchange has occurred.
- Imposed nonexchange receivables (such as property taxes and fines) are recognized when an enforceable legal claim has arisen.
- Government mandates or voluntary nonexchange transaction receivables, such as grants, are recognized when all eligibility requirements have been met.

The carrying amount of receivables - charges for services and other is reduced by a valuation allowance that reflects management's best estimate of the amounts that may not be collected. Management's estimate is based on receivables aged over 90 days past due for garbage services and Village utility sales (water and sewer) charged to residents. The allowances for doubtful customer receivables totaled \$55,036, \$165,159 and \$66,645 in the General Fund, Waterworks Fund, and Sewerage Fund, respectively, at April 30, 2015.

11. Investments

Investments are stated at fair value. Due to the nature of the Village, Police, and Firefighters' pension trust funds' investments, fair value approximates cost. Gains and losses on the sale of investments are recorded as interest income, at the date of sale or maturity.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

12. Prepaid Items

Prepaid items are recorded at cost and amortized over the terms of the underlying agreements. Reported prepaid expenditures are equally offset by nonspendable portions of fund balance, which indicate that they do not constitute "available spendable resources" even though they are a component of current assets. Prepaid items are accounted for using the consumption method; that is, they are recognized as an expenditure as they are used.

13. Interfund Transactions

During the course of operations, numerous transactions occur between individual funds for goods provided, services rendered, and for lending/borrowing purposes. These receivables and payables are classified as "due from/to other funds" (the current portion of interfund transactions) or "advance from/to other fund" (the noncurrent portion of interfund transactions) on the fund balance sheets.

Advances between funds are offset by a nonspendable fund balance, in applicable governmental funds, to indicate that they are not available for appropriation and are not expendable, available financial resources.

14. Land Held for Resale

The Village values its land held for resale at the lower of cost or market.

15. Capital Assets

Capital assets, which include buildings, machinery and equipment, vehicles, and infrastructure assets (e.g. roads, bridges, and similar items), are reported in the applicable governmental or business-type activities columns in the government-wide financial statements. Capital assets are defined as having a useful life greater than one year with an initial individual cost of more than \$5,000 for machinery and equipment, \$25,000 for property and buildings, and \$50,000 for infrastructure. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at estimated fair market value, at the date of donation.

Additions or improvements that significantly extend the useful life of an asset, or that significantly increase the capacity of an asset, are capitalized. The costs of normal maintenance and repairs, that do not add to the value of the asset or materially extend assets' lives, are not capitalized.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

15. Capital Assets (Continued)

Major outlays for capital assets and improvements are capitalized as projects are constructed. Interest incurred during the construction phase of capital assets of business-type activities is included as part of the capitalized value of the assets constructed.

Capital assets are depreciated using the straight-line method over the following estimated useful lives:

<u>Description</u>	<u>Years</u>
Buildings and improvements	20 - 40
Waterworks and sewerage systems	10 - 40
Machinery and equipment	5 - 25
Vehicles	4 - 15
Water meters	10 - 20
Infrastructure	15 - 40

Construction in progress is stated at cost and includes engineering, design, and legal costs incurred for planned construction. No provision for depreciation is made on construction in progress until the asset is completed and put in use.

16. Compensated Absences

Accumulated vacation and sick leave that are expected to be liquidated with expendable, available financial resources are reported as an expenditure and a fund liability of the governmental fund that will pay them, typically the General Fund. Accumulated vacation and sick leave that are not expected to be liquidated with expendable, available financial resources are reported as long-term debt on the government-wide statement of net position. Accumulated vacation and sick leave of the proprietary funds are recorded as expenses and liabilities of that fund, as the benefits accrue to employees.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE A - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

17. Long-Term Obligations

In the government-wide financial statements and proprietary fund types in the fund financial statements, long-term debt and other long-term obligations are reported as liabilities in the applicable governmental activities or business-type activities statement of net position. Bond premiums and discounts are deferred and amortized over the life of the applicable bonds using the effective interest method. Bonds payable are reported net of the applicable bond premium or discount. Bond issuance costs are expensed in the period in which the bonds are issued.

In the fund financial statements, governmental funds recognize bond premiums and discounts, losses on refunding, and bond issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources, while discounts on debt issuances are reported as other financing uses. Issuance cost and losses on refunding are reported as debt service expenditures.

18. Use of Estimates

In preparing financial statements, management is required to make estimates and assumptions that affect the reported amounts of assets and liabilities, the disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

NOTE B - RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS

1. Explanation of Certain Differences Between the Governmental Funds Balance Sheet and the Government-wide Statement of Net Position (Deficit)

The governmental funds balance sheet includes a reconciliation between fund balance – governmental funds and net position (deficit) – governmental activities as reported in the government-wide statement of net position (deficit).

One element of that reconciliation explains that “Certain liabilities do not require the use of current financial resources and, therefore, are not reported as liabilities in the governmental funds.” The details of this difference are as follows:

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE B - RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS
(Continued)

1. Explanation of Certain Differences Between the Governmental Funds Balance Sheet and the Government-wide Statement of Net Position (Deficit) (Continued)

Alternate revenue bonds payable	\$ 35,138,726
General obligation bonds payable	315,000
Street light loan	146,144
Capital leases payable	153,620
Premiums on bonds sold	370,824
Compensated absences payable	153,156
Net pension obligations	
IMRF	137,595
Police	2,553,754
Firefighters'	93,054
Net other postemployment benefit obligation	799,521
Judgment liability	<u>59,306</u>
 Net total long-term liabilities not reported in governmental funds	 <u>\$ 39,920,700</u>

2. Explanation of Certain Differences Between the Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund Balances (Deficits) and the Government-wide Statement of Activities

The governmental funds statement of revenues, expenditures, and changes in fund balances includes a reconciliation between net change in fund balances – total governmental funds and change in net position - governmental activities as reported in the government-wide statement of activities.

One element of that reconciliation explains that “Governmental funds report capital outlays as expenditures. However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense.” The details of this difference are as follows:

Capital outlay	\$ 495,196
Depreciation expense	<u>(608,811)</u>
 Net total amount by which depreciation expense exceeded capital outlay	 <u>\$ (113,615)</u>

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE B - RECONCILIATION OF GOVERNMENT-WIDE AND FUND FINANCIAL STATEMENTS
(Continued)

2. **Explanation of Certain Differences Between the Governmental Funds Statement of Revenues, Expenditures, and Changes in Fund Balances (Deficits) and the Government-wide Statement of Activities (Continued)**

Another element of that reconciliation states that "The issuance of long-term debt provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governmental funds." The details of this difference are as follows:

Interest accreted - capital appreciation bonds	\$ (570,171)
Principal payments on alternate revenue bonds	2,630,000
Principal payments on general obligation bonds	55,000
Proceeds from street light loan	(146,144)
Principal payments on capital leases	105,894
Net increases in net pension obligations	
IMRF	(5,704)
Police	(330,220)
Firefighters'	(7,595)
Net increase in other postemployment benefits obligation	(146,954)
Net increase in compensated absences	(4,336)
Net decrease in judgment liability	<u>42,388</u>
Net changes in current financial resources	<u>\$ 1,622,158</u>

NOTE C - DEPOSITS AND INVESTMENTS

1. **Village Deposits and Investments**

At April 30, 2015, the Village's cash and cash equivalents, excluding the pension trust funds, consisted of the following:

	Governmental Activities	Business-type Activities	Total
Cash and cash equivalents	\$ 1,662,504	\$ -	\$ 1,662,504

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

1. Village Deposits and Investments (Continued)

For disclosure purposes, this amount is segregated into three components, as follows:

	<u>Total</u>
Cash on hand	\$ 2,300
Deposits with financial institutions	1,031,621
Illinois Funds	<u>628,583</u>
	<u>\$ 1,662,504</u>

Deposits with Financial Institutions

The Village maintains a cash pool that is available for use by all funds. Each fund's portion of this pool is included in cash and cash equivalents on the governmental funds balance sheet or the enterprise funds statement of net position. In addition, deposits are separately held by several of the Village's funds.

Custodial risk for deposits with financial institutions is the risk that, in the event of bank failure, the Village's deposits may not be returned to it. The Village does not have a policy for custodial credit risk. At April 30, 2015, the carrying amount of the Village's deposits was \$1,031,621 with bank balances totaling \$1,195,098. At April 30, 2015, substantially all of the Village's deposits were insured or collateralized.

Investments

The Village's investment policy, which is consistent with state statutes, authorizes the Village to invest in deposits in interest-bearing savings accounts, interest-bearing certificates of deposits or interest-bearing time deposits, insured savings and loan institutions, the Illinois Funds, money market mutual funds with portfolios of securities issued or guaranteed by the United States or agreements to repurchase these same types of obligations, obligations of the U.S. Treasury and U.S. Agencies, or other securities guaranteed by the full faith and credit of the United States of America. The investment policy limits the Village's deposits to financial institutions that are members of the FDIC system.

The Illinois Funds is an investment pool managed by the State of Illinois, Office of the Treasurer, which allows governments within the state to pool their funds for investment purposes. The Illinois Funds is not registered with the SEC as an investment company, but does operate in a manner consistent with Rule 2a-7 of the Investment Company Act of 1940. Investments in The Illinois Funds are valued at The Illinois Fund's share price, the price for which the investment could be sold.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

1. Village Deposits and Investments (Continued)

Interest rate risk - Interest rate risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Village's investment policy does not specifically identify limits on investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates.

Credit risk - Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Village's investment policy does not specifically address credit risk. As of April 30, 2015 the Illinois Funds Money Market Fund was rated AAAM by Standard & Poor's.

Concentration of credit risk - In the case of deposits, this is the risk that, in the event of a bank failure, the entity's deposits may not be returned to it. The Village's investment policy does not restrict the amount of investments in any one issuer. The Illinois Funds Money Market Fund is not subject to concentration of credit risk.

Custodial credit risk - for investments is the risk that, in the event of the failure of the counterparty to the investment, the Village will not be able to recover the value of its investments that are in possession of an outside party. The Village's investment policy does not specifically address custodial credit risk. The Illinois Funds Money Market Fund is not subject to custodial credit risk.

2. Pension Deposits, Investments, and Concentrations

a. Firefighters' Pension Fund

The deposits and investments of the Firefighters' Pension Fund (the pension fund) are held separately from those of other Village funds.

Statutes and the pension fund's investment policy authorize the pension fund to make deposits or invest in interest-bearing direct obligations of the United States of America; obligations that are fully guaranteed or insured as to the payment of principal and interest by the United States of America; bonds, notes, debentures, or similar obligations of agencies of the United States of America; savings accounts or certificates of deposit issued by banks or savings and loan associations chartered by the United States of America or by the state of Illinois, to the extent that the deposits are insured by agencies or instrumentalities of the federal government; credit unions, to the extent that the deposits are insured by agencies or instrumentalities of the federal government; State of Illinois bonds; pooled accounts managed by the Illinois Funds Money Market Fund, or by banks, their subsidiaries, or holding companies, in accordance with the laws of the state of Illinois; bonds or tax anticipation warrants of any county, township, or municipal corporation of the state of Illinois; and direct obligations of the State of Israel.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

2. Pension Deposits, Investments, and Concentrations (Continued)

a. Firefighters' Pension Fund (Continued)

Also authorized are deposits or investments in money market mutual funds managed by investment companies that are registered under the Federal Investment Company Act of 1940 and the Illinois Securities Law of 1953 and are diversified, open-ended management investment companies, provided the portfolio is limited to specified restrictions; general accounts of life insurance companies; separate accounts of life insurance companies and mutual funds - the mutual funds must meet specific restrictions, provided the investment in separate accounts and mutual funds does not exceed ten percent of the pension fund's plan net position; and corporate bonds managed through an investment advisor, rated as investment grade by one of the two largest rating services at the time of purchase. Pension funds with net positions of \$2.5 million or more may invest up to forty-five percent of plan net position in separate accounts of life insurance companies and mutual funds. Pension funds with net position of at least \$5 million that have appointed an investment advisor may, through that investment advisor, invest up to forty-five percent of the plan's net position in common and preferred stocks that meet specific restrictions. In addition, pension funds with plan net positions of at least \$10 million that have appointed an investment advisor may invest up to fifty-five percent of their plan net position in common and preferred stocks and mutual funds that meet specific restrictions.

i. Credit Risk, Custodial Credit Risk, and Concentration Risk

Deposits and investments - At April 30, 2015, the carrying amount of the Firefighters' Pension Fund's deposits totaled \$5,766, and the bank balances totaled \$5,766. At April 30, 2015, the pension fund had the following investments and maturities:

Investment Type	Fair Value	Investment Maturities - in Years		
		Less than 1	1-5	6-10
U.S. Treasuries	\$ 60,952	\$ 5,001	\$ 25,408	\$ 30,543
U.S. Agencies	36,524	-	31,564	4,960
Corporate Bonds	15,248	-	15,248	-
Equity Mutual Funds	1,818	1,818	-	-
	<u>\$ 114,542</u>	<u>\$ 6,819</u>	<u>\$ 72,220</u>	<u>\$ 35,503</u>

The pension fund assumes any callable securities will not be called.

Interest rate risk - In accordance with the pension fund's investment policy, the pension fund limits its exposure to interest rate risk by structuring the portfolios to provide liquidity, while at the same time matching investment maturities to projected fund liabilities.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

2. Pension Deposits, Investments, and Concentrations (Continued)

a. Firefighters' Pension Fund (Continued)

i. Credit Risk, Custodial Credit Risk, and Concentration Risk (Continued)

Credit risk - The pension fund limits its exposure to credit risk by primarily investing in securities issued by the United States government and/or its agencies that are implicitly guaranteed by the United States government. The pension fund's investment policy establishes criteria for allowable investments; those criteria follow the requirements of the Illinois Pension Code. The investments in the securities of U.S. government agencies were rated AAA by Standard and Poor's or by Moody's. Besides investing in securities issued by agencies of the United States government, the pension fund has no other formal policy for reducing credit risk.

Custodial credit risk - Deposits - At April 30, 2015, the entire amount of the bank balance of the deposits was covered by federal depository or equivalent insurance. The pension fund's investment policy states that deposits in excess of federally insured limits in financial institutions will be required to be secured by some form of collateral. The pension fund will accept the following as collateral: U.S. Treasuries, Notes and Bonds, and U.S. agencies. The amount of collateral provided will not be less than 110 percent of the fair market value of the pension fund's uninsured deposits.

Custodial credit risk - Investments Money market mutual funds, and equity mutual funds are not subject to custodial credit risk. At April 30, 2015, the U.S. Government agency securities and the corporate bonds are held by the counterparty in the trust department. The pension fund limits its exposure to custodial credit risk by utilizing an independent third party institution, selected by the pension fund, to act as custodian for its securities and collateral.

Concentration of credit risk - This is the risk of loss attributed to the magnitude of the pension fund's investment in a single issuer. The pension fund does not have a formal written policy with regards to concentration credit risk for investments. At April 30, 2015, the pension fund had over 5 percent of plan net position invested in various agency securities. Agency investments represent a large portion of the portfolio; however, the investments are diversified by maturity date and are backed by the issuing organization. Although agency securities do not have the "full faith and credit" backing of the U.S. Government, they are considered to have an implicit backing and are supported by Treasury lines of credit and increasingly stringent federal regulation.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

2. Pension Deposits, Investments, and Concentrations (Continued)

a. Firefighters' Pension Fund (Continued)

i. Credit Risk, Custodial Credit Risk, and Concentration Risk (Continued)

The fund's investment policy in accordance with Illinois Compiled Statutes (ILCS) establishes the following target allocation across asset classes:

<u>Asset Class</u>	<u>Target</u>	<u>Long-Term Expected Real Rate of Return</u>
Fixed income	90.0 %	2.5 %
Domestic equities	7.0	6.0
International equities	2.5	5.5
Real estate	0.5	7.0
Cash and cash equivalents	0.0	0.0

Securities in any one company should not exceed 5 percent of the total fund.

The long-term expected rate of return on the Fund's investments was determined using an asset allocation study conducted by the Fund's investment management consultant in August 2015 in which best-estimate ranges of expected future real rates of return (net of pension plan investment expense and inflation) were developed for each major asset class. These ranges were combined to produce the long term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding the expected inflation. Best estimates or arithmetic real rates of return for each major asset class included in the Fund's target asset allocation as of April 30, 2015 are listed in the table above.

The pension board has diversified its equity mutual fund holdings as follows:

<u>Equity Mutual Funds</u>	<u>Fair Value</u>
Cohen & Sterrs Realty	\$ 307
Oakmark International	<u>1,511</u>
Total	<u>\$ 1,818</u>

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

2. Pension Deposits, Investments, and Concentrations (Continued)

a. Firefighters' Pension Fund (Continued)

i. Credit Risk, Custodial Credit Risk, and Concentration Risk (Continued)

Rate of Return - For the year ended April 30, 2015, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 1.58 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

b. Police Pension Fund

The deposits and investments of the Police Pension Fund (the pension fund) are held separately from those of other Village funds.

Investment Policy - The Police Pension Plan investment program is derived from the terms and provisions of the Illinois Compiled Statutes (ILCS). ILCS requires the Police Pension Fund's Board of Trustees to adopt an investment policy which can be amended by a majority vote of the Board. During the year, no changes to the investment policy were approved by the Board of Trustees.

The following investments are allowed as limited by the provisions of the ILCS: direct obligations of the United States of America; obligations that are fully guaranteed or insured by the United States of America; obligations of agencies of the United States of America; insured savings accounts or certificates of deposit issued by banks or savings and loan associations; insured investments in credit unions; bonds of the state of Illinois; pooled accounts managed by the Illinois Public Treasurer's Investment Pool; funds and pooled accounts managed, operated and administered by banks, subsidiaries of banks, or subsidiaries of bank holding companies; obligations of any county, township, or municipal corporation of the state of Illinois; money market mutual funds; general and separate accounts of life insurance companies; mutual funds; and common and preferred stocks.

The following was the asset allocation policy adopted by the Board of Trustees as of April 30, 2015:

Asset Class	Allocation
Fixed income, government	49.50 %
Domestic equities	31.50
International developed	11.25
Corporate investment grade	5.50
Real estate	2.25
	100.00 %

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

2. Pension Deposits, Investments, and Concentrations (Continued)

b. Police Pension Fund (Continued)

Rate of Return - For the year ended April 30, 2015, the annual money-weighted rate of return on pension plan investments, net of pension plan investment expense, was 4.66 percent. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Deposits Custodial credit risk for deposits is the risk that, in the event of a bank failure, the Police Pension Fund's deposits might not be recovered. The Police Pension Fund does not have a deposit policy for custodial credit risk. As of April 30, 2015, the Police Pension Fund's bank balances were fully covered by federal depository insurance.

Investments As of April 30, 2015, the Police Pension Fund had the following investments:

<u>Investment Type</u>	<u>Fair Value</u>	<u>Average Credit Quality/ Ratings (1)</u>	<u>Weighed Average Years to Maturity (2)</u>
Corporate bonds	\$ 384,598	A1/A2/Aa3/Baa2	2.33
Equities	489,514	N/A	N/A
Mutual funds	1,713,288	N/A	N/A
U.S. government agency securities	580,162	Aaa/AA+	2.71
U.S. Treasury notes	1,435,288	Aaa/AA+	3.42
 Total	 \$ <u>4,602,850</u>		

(1) Ratings are provided where applicable to indicate associated *Credit Risk*. N/A indicates not applicable.

(2) *Interest Rate Risk* is estimated using weighted average years to maturity.

The Police Pension Fund's investments are subject to the following risks:

Concentration of credit risk is the risk of loss attributed to the magnitude of the Police Pension Fund's investment in a single issuer. The Police Pension Fund does not have an investment policy for this risk.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE C - DEPOSITS AND INVESTMENTS (Continued)

2. Pension Deposits, Investments, and Concentrations (Continued)

b. Police Pension Fund (Continued)

Credit risk is the risk that an issuer or other counterparty to an investment will not fulfill its obligations. The Police Pension Fund's investment program is derived from the terms and provisions of the Illinois Compiled Statutes Public Funds Investment Act (40 ILCS 5/1-113) which allow investment in instruments of the United States of America or its agencies, savings accounts, certificates of deposit, public treasurers' pools, interest bearing bonds of any county, township or municipal corporation, mutual funds, certain short-term obligations of U.S. corporations, common stocks, and general or separate accounts of life insurance companies authorized to transact business in Illinois.

Interest Rate Risk is the risk that changes in interest rates will adversely affect the fair value of an investment. The Police Pension Fund does not have an investment policy for this risk.

NOTE D - PROPERTY TAXES

Property taxes for the 2014 tax year attach as an enforceable lien on January 1, 2014 on property values assessed as of the same date. Taxes are levied by December of the subsequent fiscal period (by passage of a tax levy ordinance). Tax bills are prepared by the County and are payable in two installments, on or about March 1, 2015 and August 1, 2015. The County collects such taxes and remits them periodically. The allowance for uncollectible taxes has been stated at 3 percent of the tax levy to reflect actual collection experience. That portion of the 2014 levy property tax receivable which is not collected within 60 days after year-end is not considered a current financial resource and is, therefore, recorded as property tax revenue levied for a future period.

NOTE E - DEPOSITS WITH PAYING AGENT

The Village maintains deposits with the paying agent for the payment of principal and interest maturities on its tax increment financing (TIF) and other bonded debt, TIF redevelopment project costs, reserve and redemption, and for certain other purposes, in accordance with the requirements set forth by the respective bond ordinances. As of April 30, 2015, deposits with paying agent totaling \$9,252,792 were invested in the Goldman Sachs Financial Square Federal Fund, a money market portfolio that comprises U.S. Government and U.S. Treasury securities. The Fund was rated AAAM by Standard & Poor's and Aaa-mf by Moody's as of April 30, 2015.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE F - CAPITAL ASSETS

Capital asset activity for the year ended April 30, 2015 was as follows:

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE H - RISK MANAGEMENT

The Village is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; error and omissions; natural disasters; employee health; and injuries to the Village's employees. The Village has purchased private commercial liability and health insurance coverage to manage these risks. The Village also participates in the Illinois Public Risk Fund, a self-insured pool for workers' compensation coverage which has in excess of 500 member entities. Settled claims have not exceeded the coverages in the current or preceding three fiscal periods.

NOTE I - INSURANCE PREMIUM LOAN

In March 2014, the Village entered into a loan agreement with a third party finance company, to finance premium payments on certain insurance policies. The agreement required monthly payments of \$19,731, including interest at 6.15 percent, through January 2015.

In March 2015, the Village entered into another loan agreement with the same finance company, to finance premium payments on certain insurance policies. The agreement requires monthly payments of \$24,578, including interest at 5.15 percent, through January 2016.

The following is a summary of the Village's insurance premium loan activity, recorded in the General Fund, for the year ended April 30, 2015:

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE J - LONG-TERM LIABILITIES (Continued)

2. Long-Term Debt - Terms and Maturities (Continued)

The details of the Illinois EPA loan payable as of April 30, 2015 are as follows:

Illinois Environmental Protection Agency Public Water Supply Loan, payable in semiannual installments following completion of the related project, beginning September 18, 2015 and ending September 18, 2034, including interest at 1.995%. During the year ended April 30, 2015, the Illinois Environmental Protection Agency forgave \$650,000 of the principal balance of the loan. \$ 3,635,723

The future requirements to retire the outstanding loan balance, as of April 30, 2015 are as follows:

Year Ending April 30,	Principal	Interest	Total
2016	\$ 154,819	\$ 71,157	\$ 225,976
2017	157,313	68,663	225,976

2031-2035	967,168	48,841	1,016,009
	<u>\$ 3,635,723</u>	<u>\$ 769,927</u>	<u>\$ 4,405,650</u>

3. Bond Ordinance Compliance

In accordance with the applicable bond ordinances, the Village is required to maintain certain minimum balances in deposits with the paying agent, for debt service and other purposes. For the year ended April 30, 2015, due to a shortfall in pledged revenues for debt service on the 2007A, 2007B, and 2007C bonds, deposits held for the purpose of making the scheduled principal and interest payments on those bonds were insufficient to meet the applicable bond ordinance coverage requirements. Accordingly, supplemental transfers were made from other revenue sources of the Village. All principal and interest maturities were paid as scheduled.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE J - LONG-TERM LIABILITIES (Continued)

4. Revenues Pledged for Debt Service

The Village has issued alternate revenue bonded debt over several years to be paid by pledged revenue sources. These pledges will remain until all of the associated bonds are retired. The amounts of the pledges remaining, as of April 30, 2015, are as follows:

<u>Debt Issue</u>	<u>Pledged Revenue Source</u>	<u>Pledge Remaining</u>	<u>Commitment End Date</u>
2002A & 2002B	TIF revenue - LogistiCenter TIF	\$ 18,442,540	6/1/22
2007A	Impact fees/property taxes	2,750,000	12/1/18
2007B	911 and wireless surcharges - ETS Fund	1,599,423	12/1/27
2007C	Property taxes - Fire Protection Fund	934,720	12/1/27
2008	TIF revenue - LogistiCenter TIF	14,630,673	12/1/28
2009	TIF revenue - LogistiCenter TIF	10,982,293	4/1/29

The secured debt was issued to provide improvements to the tax increment financing districts and roads of the Village, upgrade the Village's 911 system, purchase a fire truck, build a new Village Hall, and reimburse a developer for TIF-related expenditures.

A comparison of the pledged revenues collected and the related principal and interest expenditure for the year ended April 30, 2015 is as follows:

<u>Debt Issue</u>	<u>Pledged Revenue Source</u>	<u>Pledged Revenues</u>	<u>Principal and Interest Retired</u>	<u>Percentage of Pledged Revenue Used</u>
2002A&B, 2008, and 2009	TIF revenue	\$ 2,907,059	\$ 3,210,498	110.44%
2007A	Impact fees	-	690,000	N/A
2007B	911/wireless surcharge	60,216	98,615	163.77%
2007C	Property taxes	445,907	57,245	12.84%

In accordance with the respective bond ordinances, supplemental transfers were made for debt service purposes, from other revenue sources of the Village, to provide for the shortfalls in pledged TIF revenues, impact fees, and telecommunications surcharges.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE J - LONG-TERM LIABILITIES (Continued)

5. Capital Lease Obligations

The Village leases a fire pumper under a capital lease, which expires in February 2016. The annual lease payments, including interest at 4.89%, are \$74,907. The original cost of the leased asset, \$451,000, and accumulated depreciation, \$180,400, as of April 30, 2015 are included under vehicles in the governmental activities capital assets.

The Village also leases six police vehicles under a capital lease, which expire in October 2016. The annual lease payments, including interest at 5.70%, are \$44,649. The original cost of the leased assets, \$164,663, and accumulated depreciation, \$82,332, as of April 30, 2015 are included under vehicles in the governmental activities capital assets.

Minimum future lease payments are as follows:

Years Ending April 30,		
2016	\$	119,557
2017		44,649
Total minimum lease payments		164,206
Less amount representing interest		10,586
Present value of minimum lease payments		153,620
Less current portion		111,379
Long-term portion	\$	42,241

6. Judgment Liability

There are several pending lawsuits in which the Village is involved. The Village has accrued \$59,306, at April 30, 2015, in the governmental activities statement of net position, related to settlement payments that occurred subsequent to April 30, 2015. Management believes that all other potential claims against the Village that are not accrued at April 30, 2015 and are not covered by insurance would not have a materially adverse effect on the Village's financial position.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE J - LONG-TERM LIABILITIES (Continued)

7. Street Light Loan

On January 15, 2015, the Village entered into a loan agreement with a bank, to finance the installation of energy-efficient street lighting in the Village. The loan is due in annual installments of \$40,461 commencing May 1, 2015, through May 1, 2019, including interest at 4.21%. As the May 1, 2015 installment is due immediately after April 30, 2015, it has been recorded as current liabilities (principal of \$38,176 and accrued interest of \$2,285) in the General Fund at April 30, 2015. The future principal and interest maturities at April 30, 2015 are as follows:

Year Ending April 30,	Principal	Interest	Total
2016	\$ 38,176	\$ 2,285	\$ 40,461
2017	34,308	6,153	40,461
2018	35,752	4,709	40,461

NOTE K - RESTRICTIONS OF NET POSITION

The government-wide statement of net position reports net position restricted by enabling legislation, which consist of the following:

<u>Net position restricted for:</u>	<u>Amount</u>
Road improvements	\$ 214,318
Public safety	764,221
Emergency 911 services	31,833
Debt service	
Tax incremental financing	10,669,155
Other	<u>213,380</u>
Total net position restricted by enabling legislation	<u>\$ 11,892,907</u>

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE L - FUND BALANCES RESTRICTED FOR SPECIAL REVENUE PURPOSES

The governmental funds balance sheet reports fund balances restricted for special revenue purposes, which consist of the following:

<u>Fund balance restricted for:</u>	<u>Amount</u>
Fire protection	\$ 478,026
Police seizure	12,963
Working cash	<u>11,038</u>
Total fund balance restricted for special revenue purposes	<u>\$ 502,027</u>

Village of Sauk Village, Illinois
 NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE M - NONSPENDABLE FUND BALANCES - DEPOSITS WITH PAYING AGENT

The governmental funds balance sheet reports nonspendable fund balances for deposits with paying agent, which are not spendable resources. The details of those balances are as follows:

Tax incremental financing districts - Incremental tax revenues, generated by the Village's TIF districts, and collected by Cook County Treasurer/Collector, are remitted directly by the County Treasurer/Collector to accounts held in the Village's name at Amalgamated Bank of Chicago, the trustee and paying agent. Upon receipt of any incremental tax revenues, the trustee/paying agent directs the funds to the following accounts:

Bond Funds - used to accumulate amounts sufficient for payment of principal, interest and premium, if any, on the Parity Bonds and other additional bonds, if any. Amounts deposited into the Bond Funds should be used solely and only for such purposes until the bonds have been paid in full. If the amount in the Bond Funds at a specified date are less than the debt service requirements, as defined, the Trustee/Paying Agent shall replenish any deficiency by immediately withdrawing funds first from the Reserve and Redemption Fund and then the General Account. As of April 30, 2015, \$3,161,167 was held for the 2002A and 2002B bonds, \$1,186,744 was held for the 2008 bonds, and \$952,438 was held for the 2009 bonds. \$ 5,300,349

Reserve and Redemption Fund - used to hold amounts in excess of the sum of the debt service requirements, as defined, and program expenses for each bond year. Provided the ratio of the amount held in the Reserve and Redemption Fund, as of a specified date, is equal to or greater than 125% of the average annual debt service requirements or such higher amount that may be designated from time to time, the Trustee/Paying Agent may transfer any excess amount to the General Account. 3,696,912

General Account - may be distributed upon the request of the Village for the following purposes; 1) to purchase, redeem or defease the Parity Bonds, 2) to pay, reimburse or provide for payment of redevelopment costs or any expenditure permitted under the Tax Increment Financing Act or 3) to distribute surplus funds to taxing districts as defined by the Tax Increment Financing Act. 214,503

Administrative Expense and Prior Note Fund - used to make payments for certain eligible redevelopment project costs. If, as of a specified date, the amount in the Bond Fund equals or exceeds debt service requirements, as defined, the Trustee/Paying Agent, within 10 days thereafter, shall deposit into this account annually an amount not to exceed \$250,000. 3,501

Special Tax Allocation Fund - TIF 3 270

Total amounts nonspendable in relation to tax incremental financing districts 9,215,535

(Continued)

NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE M - NONSPENDABLE FUND BALANCES - DEPOSITS WITH PAYING AGENT (Continued)

Nonspendable in relation to other long-term obligations:

Deposits with paying agent for debt service

Series 2007A bonds	\$	10
Series 2010 bonds		<u>37,247</u>
Total nonspendable	\$	<u><u>9,252,792</u></u>

NOTE N - DEFICIT FUND BALANCES

At April 30, 2015, the following funds have deficit fund balances:

Fund	Deficit
General	\$ (1,875,796)
Sauk Pointe Industrial Park Fund	(176,454)
Nonmajor	
Motor Fuel Tax	(10,682)
Railroad Noise Mitigation	(4,055)
Municipal Building	(13,043)

The Village's management expects to fund these deficits through future operating revenues.

NOTE O - DEFINED BENEFIT PENSION PLANS

1. Illinois Municipal Retirement Fund

a. Plan Description

The Village's defined benefit pension plan for regular and Sheriff's Law Enforcement Personnel (SLEP) employees provides retirement and disability benefits, postretirement increases, and death benefits to plan members and beneficiaries. The Village plan is affiliated with the Illinois Municipal Retirement Fund (IMRF), an agent, multiple-employer plan. Benefit provisions are established by statute and may only be changed by the General Assembly of the State of Illinois. IMRF issues a publicly available financial report that includes financial statements and required supplementary information. That report may be obtained on-line at www.imrf.org.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

1. Illinois Municipal Retirement Fund (Continued)

b. Funding Policy

As set by state statute, the Village's regular and SLEP plan members are required to contribute 4.5% and 7.5%, respectively, of their annual covered salary. The statute requires the Village to contribute the amount necessary, in addition to member contributions, to finance the retirement coverage of its own employees. The employer contribution rates for calendar year 2014 used by the Village were 15.13% and 0.00% of annual covered payroll for regular and SLEP employees, respectively. The Village's annual required contribution rates for calendar year 2014 were 15.42% and 13.75%, for regular and SLEP employees, respectively. The Village also contributes for disability benefits, death benefits, and supplemental retirement benefits, all of which are pooled at the IMRF level. Contribution rates for disability and death benefits are set by the IMRF Board of Trustees, while the supplemental retirement benefits rate is set by state statute.

c. Fiscal IMRF Pension Cost and Net IMRF Pension Obligation

The Village's annual IMRF pension cost is calculated based on the annual required contribution (ARC) of the Village. The following table shows the components of the Village's annual IMRF pension cost, the amount actually contributed to the plan, and changes in the Village's net IMRF pension obligation, for the year ended April 30, 2015.

	<u>Regular</u> <u>Employees</u>	<u>SLEP</u> <u>Employees</u>
Annual required contribution	\$ 213,918	\$ -
Interest on net IMRF pension obligation	9,892	-
Adjustment to annual required contribution	<u>(7,071)</u>	<u>-</u>
Annual IMRF cost	216,739	-
Contributions made	<u>211,035</u>	<u>-</u>
Increase in IMRF pension obligation	5,704	-
Net IMRF pension obligation, at May 1, 2014	<u>131,891</u>	<u>-</u>
Net IMRF pension obligation, at April 30, 2015	<u>\$ 137,595</u>	<u>\$ -</u>

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

1. Illinois Municipal Retirement Fund (Continued)

d. Annual Pension Cost

For the year ended April 30, 2015, the Village's actual contributions for pension cost were \$211,035 and \$0 for regular and SLEP employees, respectively. Its required contributions were \$213,918 and \$0, respectively.

The required contribution for 2014 was determined as part of the December 31, 2012 actuarial valuation using the entry age normal actuarial cost method. The actuarial assumptions at December 31, 2012 included (a) 7.5 percent investment rate of return (net of administrative and direct investment expenses), (b) projected salary increases of 4 percent a year, attributable to inflation, (c) additional projected salary increases ranging from 0.4 percent to 10 percent per year depending on age and service, attributable to seniority/merit, and (d) postretirement benefit increases of 3 percent annually. The actuarial values of the Village's regular and SLEP plan assets were determined using techniques that spread the effects of short-term volatility in the market value of investments over a five-year period with a 20 percent corridor between the actuarial and market value of assets. The Village's regular plan's unfunded actuarial accrued liability at December 31, 2012 is being amortized as a level percentage of projected payroll on an open 29-year basis.

Trend Information

Regular Employees

Period Ended	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation

April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

1. Illinois Municipal Retirement Fund (Continued)

e. Funded Status and Funding Progress

As of December 31, 2014, the most recent actuarial valuation date, the regular and SLEP plans were 63.47 percent and 95.95 percent funded, respectively. The actuarial accrued liabilities for benefits were \$2,855,843 and \$123,451, and the actuarial values of assets were \$1,812,746 and \$118,454 for the regular and SLEP plans, respectively, resulting in underfunded actuarial accrued liabilities (UAAL) of \$1,043,097 and \$4,997 for the regular plan and the SLEP plan, respectively. The covered payrolls for calendar year 2014 (annual payroll of active employees covered by the plans) were \$1,421,712 and \$0 for the regular and SLEP plans, respectively, and the ratio of the UAAL to the covered payroll was 73 percent for the regular plan. There is no ratio of the OAAL to the covered payroll for the SLEP plan.

2. Firefighters' Pension Plan

a. Plan Description

The Firefighters' Pension Plan is a single-employer defined benefit pension plan that covers all sworn fire personnel. The defined benefits and employee and minimum employer contribution levels are governed by Illinois Compiled Statutes (40 ILCS 5/4-1) and may be amended only by the Illinois Legislature. The Village accounts for the plan as a pension trust fund. The plan is governed by a five member Board of Trustees. Two members of the Board are appointed by the Village's Mayor, one member is elected by pension beneficiaries, and two members are elected by active fire employees.

At April 30, 2015, the Firefighters' Pension Plan membership consisted of the following:

Inactive plan members currently receiving benefits	1
Inactive plan members entitled to but not yet receiving benefits	1
Active plan members	-
	-
Total plan membership	2

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

2. Firefighters' Pension Plan (Continued)

a. Plan Description (Continued)

The Firefighters' Pension Plan provides retirement benefits through two tiers of benefits as well as death and disability benefits. Covered employees hired before January 1, 2011 (Tier 1), attaining the age of 50 or older with 20 or more years of creditable service are entitled to receive an annual retirement benefit of $\frac{1}{2}$ of the salary attached to the rank held on the last day of service, or for one year prior to the last day, whichever is greater. The annual benefit shall be increased by 2.5 percent of such salary for each additional year of service over 20 years up to 30 years, to a maximum of 75 percent of such salary. Employees with at least eight years but less than 20 years of credited service may retire at or after age 60 and receive a reduced benefit. The monthly benefit of a firefighter who retired with 20 or more years of service after January 1, 1977 shall be increased annually, following the first anniversary date of retirement and be paid upon reaching the age of at least 55 years, by 3 percent of the original pension and 3% compounded annually thereafter.

Covered employees hired on or after January 1, 2011 (Tier 2), attaining the age of 55 or older with 10 or more years of creditable service are entitled to receive an annual retirement benefit equal to the average monthly salary obtained by dividing the total salary of the firefighter during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period. Firefighters' salary for the pension purposes is capped at \$106,800, plus the lesser of one half of the annual change in the Consumer Price Index or 3 percent compounded. The annual benefit shall be increased by 2.5 percent of such a salary for each additional year of service over 20 years up to 30 years to a maximum of 75 percent of such salary. Employees with at least 10 years may retire at or after age 50 and receive a reduced benefit (i.e., $\frac{1}{2}$, percent for each month under 55). The monthly benefit of a Tier 2 firefighter shall be increased annually at age 60 on the January 1st after the Firefighters' office retires, or the first anniversary of the pension starting date, whichever is later. Noncompounding increases occur annually, each January thereafter. The increase is the lesser of 3 percent or one half of the change in the Consumer Price Index for the preceding calendar year.

Covered employees are required to contribute 9.455% of their base salary to the Firefighters' Pension Plan. If an employee leaves covered employment with less than 20 years of service, accumulated employee contributions may be refunded without accumulated interest. The Village is required to contribute the remaining amounts necessary to finance the plan and the administrative costs as actuarially determined by an enrolled actuary. However, effective January 1, 2011, ILCS requires the Village to contribute a minimum amount annually calculated using the projected unit credit actuarial cost method that will result in the funding of 90 percent of the past service cost by the year 2040. For the year-ended April 30, 2015, the Village has no active members so covered payroll is \$0.

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

2. Firefighters' Pension Plan (Continued)

b. Summary of Significant Accounting Policies and Plan Asset Matters

Reporting Entity

The Firefighters' Pension Fund is a pension trust fund of the Village of Sauk Village, Illinois, pursuant to GASB Statement No. 61. The decision to include the Firefighters' Pension Fund in the Village's reporting entity was made based upon the significance of the operational or financial relationship with the Village.

The Village's sworn fire employees participate in the Firefighters Pension Employees' Retirement System (FPERS). FPERS functions for the benefit of these employees and is governed by a five-member pension board: two members appointed by the Village's Mayor, one elected pension beneficiary, and two elected firefighter employees constitute the pension board. The Village and FPERS participants are obligated to fund all FPERS costs based upon actuarial valuations. The State of Illinois is authorized to establish benefit levels and the Village is authorized to approve the actuarial assumptions used in the determination of contribution levels.

The Firefighters' Pension Plan issues its own financial report and required supplementary information. That report may be obtained by writing to the Village of Sauk Village, 21801 Torrence Avenue, Sauk Village, Illinois 60411.

Basis of Presentation

Pension trust funds are used to account for assets held in a trustee capacity for pension benefit payments. The Firefighters' Pension Fund accounts for the accumulation of resources to pay retirement and other related benefits for sworn members of the Village's Fire Department.

Measurement Focus and Basis of Accounting

Measurement focus is a term used to describe which transactions are recorded. *Basis of accounting* refers to when transactions are recorded, regardless of the measurement focus applied.

Measurement focus. Pension trust funds utilize an economic resources measurement focus. The accounting objectives of this measurement focus are the determination of changes in net position. All assets and liabilities (whether current or noncurrent) associated with their activities are reported. Pension trust fund equity is classified as net position.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE Q - DEFINED BENEFIT PENSION PLANS (Continued)

2. Firefighters' Pension Plan (Continued)

b. Summary of Significant Accounting Policies and Plan Asset Matters (Continued)

Measurement Focus and Basis of Accounting (Continued)

Basis of Accounting. The accrual basis of accounting is utilized by pension trust funds. Under this method, additions to net position are recorded when earned and deductions from net position are recorded when the time-related liabilities/deferred inflows are incurred. Plan member contributions are recognized in the period in which the contributions are due. Employer contributions are recognized when due and the employer has made a formal commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

Investments

Firefighters' Pension Fund investments are reported at fair value. Short-term investments are reported at cost, which approximates fair value. Securities traded on national exchanges are valued at the last reported sales price. Investments that do not have an established market, if any, are reported at estimated fair value.

Interfund Receivables/Payables

During the course of operations, numerous transactions occur between individual funds of the Village for goods provided or services rendered. These receivables that relate to the Firefighters' Pension Fund are classified as "Due from Village" on the statement of net position.

c. Net Pension Liability

The components of the net pension liability of the Village as of April 30, 2015, calculated in accordance with GASB Statement No. 67, were as follows:

Total pension liability	\$ 1,255,411
Plan fiduciary net position	<u>121,012</u>
Village's net pension liability (disclosure only)	<u>1,134,399</u>
Plan fiduciary net position as a percentage of the total pension liability	9.64%

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

2. Firefighters' Pension Plan (Continued)

c. Net Pension Liability (Continued)

See the Schedule of Changes in the Employer's Net Pension Liability and Related Ratios in the required supplementary information for additional information related to the funded status of the Fund.

Actuarial assumptions - The total pension liability above was determined by an actuarial valuation performed as of April 30, 2015 using the following actuarial methods and assumptions:

Actuarial valuation date	5/1/2015
Actuarial cost method	Entry age normal
Asset valuation method	5-year smoothed market
Actuarial assumptions	
Interest rate	5.00%
Salary increases	0.00%
Cost of living adjustments	2.50%
Inflation	2.50%

Mortality rates were based on the RP-2000 Mortality Table (BCA, +1M, -4F, 2x>105). The actuarial assumptions used in the April 30, 2015 valuation were based on the results of an actuarial experience study conducted by the Illinois Department of Insurance dated September 26, 2012.

Discount Rate - The discount rate used to measure the total pension liability was 5.00 percent, the same as the prior valuation. The projection of cash flows used to determine the discount rate assumed that member contributions will be made at the current contribution rate and that Village contributions will be made at rates equal to the difference between the actuarially determined contribution rates and the member rate. Based on those assumptions, the Fund's fiduciary net position was projected to be available to make all project future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all period of projected benefit payments to determine the total pension liability.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

2. Firefighters' Pension Plan (Continued)

c. Net Pension Liability (Continued)

Discount Rate Sensitivity - The following is a sensitivity analysis of the net pension liability to changes in the discount rate. The table below presents the pension liability of the Village calculated using the discount rate of 5.00 percent as well as what the Village's net pension liability would be if it were calculated using a discount rate that is one percentage point lower (4.00 percent) or one percentage point higher (6.00 percent) than the current rate:

	1% Decrease (4.00%)	Current Discount (5.00%)	1% Increase (6.00%)
Net pension liability (disclosure only)	\$ 1,344,674	\$ 1,134,399	\$ 967,772

d. Net Pension Obligation

The Village's net pension obligation as of April 30, 2015, and its annual pension cost for the year then ended, for the Firefighters' Pension Fund, are as follows:

Annual required contribution	\$ 9,636
Interest on net pension obligation	4,764
Adjustment to annual required contribution	3,313
Annual pension cost	17,713
Contributions made	10,118
Increase in net pension obligation	7,595
Net pension obligation as of May 1, 2014	85,459
Net pension obligation as of April 30, 2015	\$ 93,054

The Village's payroll for employees covered by the Firefighters' Pension Plan for the year ended April 30, 2015 was \$0.

For the year ended April 30, 2015, the Village's annual pension cost was \$17,713. Actual contributions made by the Village were \$10,118. The annual pension cost was determined based on the actuarial valuation as of May 1, 2015.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

2. Firefighters' Pension Plan (Continued)

d. Net Pension Obligation (Continued)

Additional information as of the latest actuarial valuation presented is as follows: the actuarial cost method was entry age normal; the amortization method was level percent of pay, closed, and the amortization period was 26 years; the asset valuation method was a market value method; and the significant actuarial assumptions were an investment rate of return at 5.0 percent, compounded annually which includes a 2.5 percent inflation factor, a projected salary increase assumption range of 0.0 percent, which includes a 2.5 percent inflation factor, and cost-of-living adjustments of either 2.0 percent simple or 3.0 percent compounded annually.

Three-Year Trend Information

Period Ended	Annual Pension Cost (APC)	Percentage of APC Contributed	Net Pension Obligation
4/30/15	\$ 17,713	57.1%	\$ 93,054
4/30/14	23,777	52.4%	85,459
4/30/13	23,777	17.2%	74,135

Funded Status

As of April 30, 2015, the Firefighters' Pension Plan was 9.6 percent funded. The actuarial accrued liability for benefits was \$1,255,411 and the actuarial value of assets was \$121,012, resulting in an underfunded actuarial accrued liability (UAAL) of \$1,134,399. The covered payroll (annual payroll of active employees covered by the plan) was \$0 and the ratio of the UAAL to the covered payroll was not available.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

3. Police Pension Plan

a. Plan Description

Plan Administration - The Police Pension Fund Board of Trustees administers the Police Pension Plan, a single-employer defined pension plan that provides pensions for the qualified police employees of the Village of Sauk Village, Illinois. The defined benefits and employee and employer contribution levels are governed by Illinois Compiled Statutes (Chapter 40ILCS 5 I Article 3) and may be amended only by the Illinois legislature.

The Police Pension Plan issues its own financial report and required supplementary information. That report may be obtained by writing to the Village of Sauk Village, 21801 Torrence Avenue, Sauk Village, Illinois 60411.

The Police Pension Fund Board of Trustees consists of five members. Two members of the Board shall be appointed by the mayor; one member of the Board shall be elected by and from among the beneficiaries of the fund, if any; and two members of the Board shall be elected from the regular police force by the full time members thereof, provided that neither of the members so elected need be residents of the Village.

Plan Membership - At April 30, 2015, the Police Pension Plan membership consisted of:

Inactive plan members or beneficiaries currently receiving benefits	13
Inactive plan members entitled to but not receiving benefits	2
Active plan members	19
 Total plan membership	 34

Benefits Provided - The Police Pension Plan provides retirement benefits as well as death and disability benefits. Tier 1 employees (those hired as a police officer prior to January 1, 2011) attaining the age of 50 or older with 20 or more years of creditable service are entitled to receive an annual retirement benefit equal to one-half of the salary attached to the rank held on the last day of service, or for one year prior to the last day, whichever is greater. The annual benefit shall be increased by 2.5 percent of such salary for each additional year of service over 20 years up to 30 years, to a maximum of 75 percent of such salary. Employees with at least eight years but less than 20 years of credited service may retire at or after age 60 and receive a reduced benefit. The monthly pension of a police officer who retired with 20 or more years of service after January 1, 1977 shall be increased annually, following the first anniversary date of retirement and be paid upon reaching the age of at least 55 years, by 3 percent of the original pension and 3 percent compounded annually thereafter.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

3. Police Pension Plan (Continued)

a. Plan Description (Continued)

Tier 2 employees (those hired on or after January 1, 2011) attaining the age of 55 or older with ten or more years of creditable service are entitled to receive an annual retirement benefit equal to the average monthly salary obtained by dividing the total salary of the police officer during the 96 consecutive months of service within the last 120 months of service in which the total salary was the highest by the number of months of service in that period. Police officer's salary for pension purposes is capped at \$106,800, plus the lesser of one-half of the annual change in the Consumer Price Index or 3 percent compounded. The annual benefit shall be increased by 2.5 percent of such salary for each additional year of service over 20 years up to 30 years to a maximum of 75 percent of such salary. Employees with at least 10 years of service may retire at or after age 50 and receive a reduced benefit (i.e., 1/2 percent for each month under 55).

The monthly benefit of a Tier 2 police officer shall be increased annually at age 60 on the January 1st after the police officer retires, or the first anniversary of the pension starting date, whichever is later. Noncompounding increases occur annually, each January thereafter. The increase is the lesser of 3 percent or 1/2 of the change in the Consumer Price Index for the preceding calendar year.

Contributions - Employees are required by Illinois Compiled Statutes (ILCS) to contribute 9.91 percent of their base salary to the Police Pension Plan. If an employee leaves covered employment with less than 20 years of service, accumulated employee contributions may be refunded without accumulated interest. The Village is required to contribute the remaining amount necessary to finance the Police Pension Plan, including the costs of administering the plan, as actuarially determined by an enrolled actuary. Effective January 1, 2011, the Village has until the year 2040 to fund 90 percent of the past service cost for the Police Pension Plan. For the year ended April 30, 2015, the Village's contribution was 12.79 percent of covered payroll.

b. Summary of Significant Accounting Policies and Plan Asset Matters

Reporting Entity

The Police Pension Fund is a pension trust fund of the Village of Sauk Village, Illinois. The decision to include the Police Pension Fund in the Village's reporting entity was made based upon the significance of the operational or financial relationship with the Village.

Basis of Presentation

Pension trust funds are used to account for assets held in a trustee capacity for pension benefit payments. The Police Pension Fund accounts for the accumulation of resources to pay retirement and other related benefits for sworn members of the Village's Police Department.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

3. Police Pension Plan (Continued)

b. Summary of Significant Accounting Policies and Plan Asset Matters (Continued)

Measurement Focus and Basis of Accounting

The Police Pension Fund is accounted for on the flow of economic resources measurement focus and uses the accrual basis of accounting. Member contributions are recognized in the year in which the contributions are due. Employer contributions to the plan are recognized when due and the employer has made a commitment to provide the contributions. Benefits and refunds are recognized when due and payable in accordance with the terms of the plan.

Investments

Investments are reported at fair value which is determined using selected bases. Short-term investments are reported at cost, which approximates fair value. Securities traded on a national exchange are valued at the last reported sales price and investments that do not have an established market are reported at estimated fair value. Cash deposits are reported at carrying amount which reasonably estimates fair value.

Receivables

Police Pension Fund receivables consist of all revenues earned at year-end and not yet received. The major receivable balance for the Police Pension Fund is accrued interest from cash and investments.

Interfund Receivables/Payables

During the course of operations, numerous transactions occur between individual funds of the Village for goods provided or services rendered. These receivables that relate to the Police Pension Fund are classified as "Due from Village" on the fiduciary funds statement of net position.

c. Net Pension Liability

The components of the net pension liability of the Village as of April 30, 2015 calculated in accordance with GASB Statement No. 67 were as follows:

Total pension liability	\$ 14,042,688
Plan fiduciary net position	<u>5,658,895</u>
Village's net pension liability (disclosure only)	<u><u>8,383,793</u></u>
Plan fiduciary net position as a percentage of the total pension liability	40.30%

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

3. Police Pension Plan (Continued)

c. Net Pension Liability (Continued)

Actuarial assumptions - The total pension liability above was determined by an actuarial valuation performed as of April 30, 2015 using the following actuarial methods and assumptions, applied to all period included in the measurement:

Actuarial cost method	Entry age
Inflation	2.50%
Salary increases	5.00%
Investment rate of return, net of administrative expenses	6.75%
Asset valuation method	5-year average market value

Mortality rates for active employees and pensioners were based on the RP-2000 CHBCA Mortality Table.

The actuarial assumptions used in the April 30, 2015 valuation were based on the results of an actuarial experience study conducted by the Illinois Department of Insurance dated September 26, 2012.

The long-term expected rate of return on pension plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of pension plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of arithmetic real rates of return for each major asset class included in the Police Pension Plan's target asset allocation as of April 30, 2015 (see the discussion of the Police Pension Plan's investment policy) are summarized in the following table:

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

3. Police Pension Plan (Continued)

c. Net Pension Liability (Continued)

Asset Class	Long-Term Expected Real Rate of Return
Fixed income, government	1.0 %
Domestic equities	6.5
International developed	6.0
Corporate investment grade	1.8
Real estate	8.0

Discount Rate - The discount rate used to measure the total pension liability was 6.75 percent. The projection of cash flows used to determine the discount rate assumed that plan member contributions will be made at the current contribution rate and that Village contributions will be made at rates equal to the difference between actuarially determined contribution rates and the member rate. Based on those assumptions, the Police Pension Plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Net Pension Liability to Changes in the Discount Rate - The following presents the net pension liability of the Village, calculated using the discount rate of 6.75 percent, as well as what the Village's net pension liability would be if it were calculated using a discount rate that is 1.0 percentage-point lower (5.75 percent) or 1.0 percentage-point higher (7.75 percent) than the current rate:

	1% Decrease (5.75%)	Current Discount (6.75%)	1% Increase (7.75%)
Net pension liability (disclosure only)	\$ 10,485,529	\$ 8,383,793	\$ 6,673,267

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE O - DEFINED BENEFIT PENSION PLANS (Continued)

3. Police Pension Plan (Continued)

d. Net Pension Obligation

The Village's estimated net pension obligation as of April 30, 2015, and its estimated annual pension cost for the year then ended, for the Police Pension Fund, are as follows:

Annual required contribution	\$	447,444
Interest on net pension obligation		111,177
Adjustment to annual required contribution		<u>(41,869)</u>
Annual pension cost		516,752
Contributions made		<u>186,532</u>
Increase in net pension obligation		330,220
Net pension obligation as of May 1, 2014		<u>2,223,534</u>
Net pension obligation as of April 30, 2015	\$	<u><u>2,553,754</u></u>

The Village's payroll for employees covered by the Police Pension Plan for the year ended April 30, 2015 was \$1,458,307.

For the year ended April 30, 2015, the Village's estimated annual pension cost was \$516,752. Actual contributions made by the Village were \$186,532. The annual pension cost for the year ended April 30, 2015 was estimated based on the annual pension cost for the year ended April 30, 2014, included in the separate financial statements of the Police Pension Fund.

Additional information as of the latest actuarial valuation presented is as follows: the actuarial cost method was entry age (level percentage of pay); the amortization method was level percent of pay, closed, and the amortization period was 22 years; the asset valuation method was a market value method; and the significant actuarial assumptions were an investment rate of return at 7.0 percent, which includes a 3.0 percent inflation factor, and a projected salary increase assumption range of 5.5 percent, which also includes a 3.0 percent inflation factor.

Funded Status

As of May 1, 2011 (the most recent actuarial valuation performed in accordance with GASB Statement No. 50), the Police Pension Plan was 54.4 percent funded. The actuarial accrued liability for benefits was \$9,884,581 and the actuarial value of assets was \$5,377,178, resulting in an underfunded actuarial accrued liability (UAAL) of \$4,507,403. The covered payroll (annual payroll of active employees covered by the plan) was \$1,473,410 and the ratio of the UAAL to the covered payroll was 305.9 percent.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE P - OTHER POSTEMPLOYMENT BENEFITS

1. Plan Description

The Village Board provides postretirement health insurance benefits, as per the requirements of a local ordinance, for all employees who retire from the Village on or after attaining age 55 (age 50 for police officers) with at least 10 years of service, until the retiree reaches the age of 65. As of November 1, 2012, the most recent actuarial valuation date, nine retirees had met those eligibility requirements.

For regular employees who began full-time employment prior to May 14, 1991, and police officers who began full-time employment prior to October 15, 1999, the Village pays the following percentage of the monthly premium, based on the number of years of service, until the retiree becomes eligible for Medicare:

Length of Service	Premiums Paid by Village
10 to 15 years	50%
15 to 20 years	75%
20 years or more	100%

For regular employees who began full-time employment on or after May 14, 1991, and police officers who began full-time employment on or after October 15, 1999, the Village pays the following percentage of the monthly premium, based on the number of years of service, until the retiree becomes eligible for Medicare:

Length of Service	Premiums Paid by Village
10 to 20 years	0%
20 to 25 years	50%
25 to 30 years	75%
30 years or more	100%

2. Funding Policy

The contribution requirements of the plan members and the Village are established and may be amended by the Village Board and are detailed in the "Plan Document". The required contribution is based on projected pay-as-you-go financing requirements. For the year ended April 30, 2015, the Village contributed \$124,654 to the Plan. Plan members receiving benefits were not required to make any contributions during the same period.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE P - OTHER POSTEMPLOYMENT BENEFITS (Continued)

3. Annual OPEB Cost and Net OPEB Obligation

The Village's annual other postemployment benefit (OPEB) cost is calculated based on the annual required contribution of the employer (ARC), an amount actuarially determined in accordance with the parameters of GASB Statement No. 45. The ARC represents a level of funding that, if paid on an ongoing basis, is projected to cover normal cost each year and to amortize any unfunded actuarial liabilities (or funding excess) over a period not to exceed thirty years. The following table shows the components of the Village's estimated annual OPEB cost for the year, the amount actually contributed to the plan, and changes in the Village's estimated net OPEB obligation to the retiree health plan:

Annual required contribution	\$	238,980
Interest on net OPEB obligation		32,628
Adjustment to annual required contribution		-
Annual OPEB cost		271,608
Contributions made		124,654
Increase in net OPEB obligation		146,954
Net OPEB obligation, May 1, 2014		652,567
Net OPEB obligation, April 30, 2015	\$	799,521

The Village's annual OPEB cost, the percentage of annual OPEB cost contributed to the plan, and the net OPEB obligation for the year ended April 30, 2015 and the two preceding fiscal years were as follows:

Period Ended	Annual OPEB Cost	Percentage Annual OPEB Cost Contributed	Net OPEB Obligation
4/30/2015	\$ 271,608	45.9%	\$ 799,521
4/30/2014	264,611	47.1%	652,567
4/30/2013	122,743	50.8%	512,610

4. Funding Status and Funding Progress

As of November 1, 2012 (the most recent actuarial valuation date), the Plan was 0 percent funded. The actuarial accrued liability for benefits was \$2,445,957, and the actuarial value of assets was \$0, resulting in an unfunded actuarial accrued liability (UAAL) of \$2,445,957.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE P - OTHER POSTEMPLOYMENT BENEFITS (Continued)

4. Funding Status and Funding Progress (Continued)

Actuarial valuations of an ongoing plan involve estimates of the value of reported amounts and assumptions about the probability of occurrence of events far into the future. Examples include assumptions about future employment, mortality, and the healthcare cost trend. Amounts determined regarding the funded status of the Plan and the annual required contributions of the employer are subject to continual revision as actual results are compared with past expectations and new estimates are made about the future.

5. Methods and Assumptions

Projections of benefits for financial reporting purposes are based on the substantive plan (the plan as understood by the employer and plan members) and include the types of benefits provided at the time of each valuation and the historical pattern of sharing of benefit costs between the employer and plan members to that point. The methods and assumptions used include techniques that are designed to reduce the effects of short-term volatility in actuarial accrued liabilities and the actuarial value of assets, consistent with the long-term perspective of the calculations.

The following simplifying assumptions were made:

Contribution rates:	
Village	N/A
Plan members	0.00%
Actuarial valuation date	November 1, 2012
Actuarial cost method	Entry age normal
Amortization period	Level percentage of pay, open
Remaining amortization period	30 years
Asset valuation method	Market
Actuarial assumptions:	
Investment rate of return*	5.00%
Projected salary increases	5.00%
Healthcare inflation rate	8.00% initial 6.00% ultimate

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE P - OTHER POSTEMPLOYMENT BENEFITS (Continued)

5. Methods and Assumptions (Continued)

Mortality, Turnover, Disability, Retirement Ages	Same rate utilized for IMRF, Police and Firefighter Pension Funds
Percentage of active employees assumed to elect benefit	100%
Employer provided benefit	Explicit: 100% of single premium to age 65 Implicit: 40% of premium to age 65

*Includes inflation at 3.00%

NOTE Q - COMMITMENTS AND CONTINGENCIES

1. Water Treatment System

The Village has a contract for the construction of certain improvements to its water treatment facilities. The Village's commitment under this contract was approximately \$27,000 as of April 30, 2015.

2. Grants

Amounts received or receivable from grantor agencies are subject to audit and adjustment by grantor agencies. Any disallowed claims, including amounts already collected, may constitute a liability of the applicable funds. The amount, if any, of the expenditures which may be disallowed by the grantor cannot be determined at this time, although the Village expects such amounts, if any, to be immaterial.

Village of Sauk Village, Illinois
NOTES TO FINANCIAL STATEMENTS
April 30, 2015

NOTE R - SUBSEQUENT EVENTS

Management has evaluated subsequent events through February 2, 2016, the date that these financial statements were available to be issued. Management has determined that no events or transactions, other than the following, have occurred subsequent to the balance sheet date that require disclosure in the financial statements.

1. Dispatch Agreement

In July 2015, the Village entered into an intergovernmental agreement with the Village of Calumet Park, Illinois (Cal Park), for the provision of dispatching services to the Village, from 7/1/15 through 6/30/18. The agreement will automatically renew for successive one year periods, unless the Village gives written notice of its intent to terminate the agreement no later than 180 days before the expiration of the term. In consideration for the services, the Village agreed to pay Cal Park a monthly sum of \$23,750 from 10/1/15 through 6/30/18, subject to annual increases.

2. Capital Lease

Subsequent to April 30, 2015, the Village entered into a capital lease agreement with a financial services company related to the lease of certain computer equipment. The lease requires annual payments of \$27,673 commencing October 2015, through October 2017.

3. Fire Truck Loan

In October 2015, the Village entered into a \$350,000 loan agreement with the Illinois Finance Authority for the purchase of a fire truck. The loan will be payable in 20 annual installments of \$17,500 commencing in November 2016, and will not bear interest.

REQUIRED SUPPLEMENTARY INFORMATION
(Unaudited)

Village of Sauk Village, Illinois
 Illinois Municipal Retirement Fund
 SCHEDULES OF FUNDING PROGRESS
April 30, 2015

Regular Plan

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) Entry Age (b)	Unfunded AAL (UAAL) (b-a)	Funded Ratio (a/b)	Covered Payroll (c)	UAAL as a Percentage of Covered Payroll ((b-a)/c)
12/31/14	\$ 1,812,746	\$ 2,855,843	\$ 1,043,097	63.47 %	\$ 1,421,712	73.37 %
12/31/13	1,634,780	2,649,136	1,014,356	61.71	1,328,725	76.34
12/31/12	1,310,732	2,586,143	1,275,411	50.68	1,318,986	96.70

On a market value basis, the actuarial value of assets as of December 31, 2014 was \$2,561,666. On a market basis, the funded ratio would be 89.70%.

The actuarial value of assets and accrued liability cover active and inactive members who have service credit with the Village. They do not include amounts for retirees. The actuarial accrued liability for retirees is 100% funded.

SLEP Plan

Actuarial Valuation Date	Actuarial Value of Assets (a)	Actuarial Accrued Liability (AAL) Entry Age (b)	Overfunded AAL (OAAL) (b-a)	Funded Ratio (a/b)	Covered Payroll (c)	OAAL as a Percentage of Covered Payroll ((b-a)/c)
12/31/14	\$ 118,454	\$ 123,451	\$ 4,997	95.95 %	-	N/A %
12/31/13	109,621	107,680	(1,941)	101.80	-	N/A
12/31/12	102,737	97,257	(5,480)	105.63	-	N/A

On a market value basis, the actuarial value of assets as of December 31, 2014 was \$130,016. On a market basis, the funded ratio would be 105.32%.

The actuarial value of assets and accrued liability cover active and inactive members who have service credit with the Village. They do not include amounts for retirees. The actuarial accrued liability for retirees is 100% funded.

NOTE A - BUDGETARY DATA

The Village prepares its appropriation ordinance in accordance with generally accepted accounting principles. Appropriations were adopted for the General Fund, Debt Service Fund, LogistiCenter at Sauk Village Fund, Waterworks Fund, Sewerage Fund, Fire Protection Fund, Motor Fuel Tax Fund, Emergency Telephone System Fund, Police Seizure Fund, Working Cash Fund, Utility Tax Fund, Community Development Block Grant Fund, Railroad Noise Mitigation Fund, and the SurreyBrook Plaza Fund. Annual appropriations lapse at year-end. The Village did not prepare an appropriation for fiscal year 2015 for the Sauk Pointe Industrial Park Fund, Municipal Building Fund or the Sauk Plaza Redevelopment Plan Fund.

1. Within ninety days of the start of the fiscal period, the annual appropriation ordinance is presented for adoption by the Village Board. This ordinance appropriates such sums of money as are deemed necessary to defray all necessary expenses and liabilities of the Village. The ordinance also specifies the objects and purposes for which these appropriations are made and the amount appropriated for each.
2. Prior to the adoption of the appropriation ordinance, the Village makes the proposed ordinance conveniently available to public inspection and holds at least one public hearing subsequent to published notice.
3. Subsequent to the public hearing and before final action is taken on the appropriation ordinance, the Village Board may revise, alter, increase, or decrease the items contained therein.
4. Final action to adopt the appropriation, for the year ended April 30, 2015, was taken by the Village Board on July 24, 2014.
5. The Board may subsequently transfer appropriated amounts to other appropriations, but may not increase overall appropriation of an individual fund without the passage of a supplemental appropriation.
6. The legal level of budgetary control is at the fund level.

NOTE B - EXPENDITURES IN EXCESS OF APPROPRIATIONS

The following funds had an excess of expenditures over appropriations for the year ended April 30, 2015:

<u>Fund</u>	<u>Variance</u>
Fire Protection	\$ 62,347
Emergency Telephone System	676
Police Seizure	9,582
Utility Tax	1,794
Sewerage	22,597
